NATIONAL AFFAIRS

GoI Releases Rs 77.98 Crore for 755 Senior Citizen Welfare Projects Under AVYAY for Q2FY27

In November 2026, the Government of India **(GoI)** released **Rs 77.98 crore** in Grant-in-Aid to 755 projects under the Integrated Programme for Senior Citizens (IPSrC), a component of the Atal Vayo Abhyuday Yojana **(AVYAY),** for the 2nd Quarter **(Q2: July-September)** of Financial Year 2026-27**(FY27).**

Exam Hints:

- ✓ **What?** GoI Releases Grant-in-Aid for 755 senior citizen welfare projects
- ✓ **Total Amount Released:** Rs 77.98 crore
- ✓ **Released under:** IPSrc component of AVYAY scheme
- ✓ **Released for:** Q2FY27
- ✓ **Scheme Administered by:** DSJE, MoSJE
- ✓ **Key Principles of Scheme:** 'Ageing with Dignity' and 'Ageing in Place'
- ✓ **Core Components:** Integrated Programme for Senior Citizens (IPSrC); State Action Plan for Senior Citizens (SAPSrC); Rashtriya Vayoshri Yojana (RVY); National Helpline (Toll-free No. 14567); and Regional Resource and Training Centres (RRTCs).

About Atal Vayo Abhyuday Yojana (AVYAY):

Key Reason: As per the Census 2011, India had 10.38 crore people aged 60 years and above, including 5.11 crore males and 5.27 crore females.

Launched in: Launched in 2021, AVYAY, one of the flagship schemes of the Ministry of Social Justice & Empowerment (MoSJE), subsumed and expanded the previous National Action Plan for Senior Citizens **(NAPSrC)** by integrating multiple interventions for senior citizens under a unified umbrella scheme.

Aim: The scheme is designed to provide functional support and promote active ageing by facilitating shelter, food, healthcare and recreational services.

Key Principles: The scheme follows the principles of 'Ageing with Dignity' and 'Ageing in Place', promoting respectful and empowering care while enabling senior citizens to live safely, independently and with dignity in their homes and communities through community-based support services.

Administered by: The Department of Social Justice & Empowerment (DSJE) of MoSJE, acts as the nodal agency for the scheme.

Key Components: The scheme has key components which include:

- **IPSrC:** It provides financial assistance to eligible organisations for running and maintenance of senior citizen homes or continuous care homes to improve the quality of life of the senior citizens.
- **State Action Plan for Senior Citizens (SAPSrC):** Under this component, States and Union Territories (UTs) prepare and implement action plans customized to their respective requirements for senior citizen welfare, with financial support from the MoSJE for formulating and implementing these plans. States can utilize up to **20%** of their allocated funds for these state-specific programs.
- **Rashtriya Vayoshri Yojana (RVY):** RVY, originally launched in **2017** as a **standalone Central Sector Scheme (CSS)**, has been subsumed under the AVYAY, provides physical aids and assisted living devices for senior citizens Below the Poverty Line (BPL) and with a family income not exceeding Rs. 15,000 per month. As of date, the scheme has cumulatively benefitted **more than**

Copyright 2014-2026 @ AffairsCloud.com

10.45 lakh senior citizens covered with **5587653 Assistive Living Devices** (ALDs) through camp mode and walk-in centres of the Artificial Limbs Manufacturing Corporation of India (ALIMCO) at Pradhan Mantri Divyasha Vayoshri Kendras **(PMD-VK).**

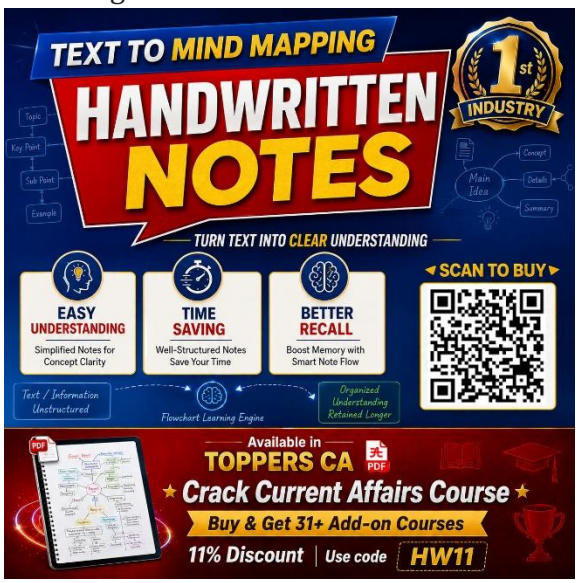

- **National Helpline:** The Elder Line Helpline **(Toll-free No. 14567),** is a National Helpline for Senior Citizens (NHSC) launched in 2021, to offer guidance, emotional support, and rescue services.
- **Regional Resource and Training Centres (RRTCs):** These centres act as regional nodal agencies under AVYAY, particularly IPSrC, for training, capacity building, research, awareness and elderly welfare advocacy. Each RRTC receives Rs 19.58 lakh annually, with additional support provided to designated NGOs and institutions to strengthen outreach and service delivery.

Key Initiatives Launched under AVYAY Scheme:

JEEVAN App & SHATAYU Dashboard: IIn May 2026, the GoI launched the Joint Elderly Empowerment and Virtual Assistance Network **(JEEVAN) app** to provide welfare scheme information, emergency assistance and support services, and the Senior Holistic Care Assistance and Training for Your Utility **(SHATAYU) dashboard** to help senior citizens and families find trained geriatric caregivers.

Seniorcare Ageing Growth Engine (SAGE): The Senior-care Ageing Growth Engine (SAGE) initiative supports startups developing innovative elderly-care solutions with financial assistance of up to Rs 1 crore through equity participation, mentorship and market linkages.

- The SAGE portal serves as a single-window platform for accessing verified elderly-care products and services.

Other Key Initiatives: The Senior Citizen Opportunities for Productive Engagement (SCOPE) initiative promotes elderly participation and livelihood opportunities, while PM-Special (System for Provision of Eldercare in House and Assisted Living) provides free skill-based training through empanelled institutes to address the shortage of geriatric caregivers.

About Ministry of Social Justice & Empowerment (MoSJE):

Union Minister- Virendra Kumar Khatik (Constituency- Tikamgarh, Madhya Pradesh, MP)
Minister of State **(MoS)-** Ramdas Athawale (Rajya Sabha- Maharashtra); B.L. Verma (Rajya Sabha- Uttar Pradesh, UP)

Union Minister Ashwini Vaishnaw Launches Semicon India 2.0 Portal; Approves 12 ECMS Projects

In November 2026, **Union Minister Ashwini Vaishnaw**, Ministry of Electronics and Information Technology (MeitY), launched the **Semicon 2.0 Web Application Portal** under the second phase of the **Semicon India Programme**, at an event held in **New Delhi, Delhi**.

- During the event, the Minister also announced the approval of **12 additional applications** under the **Electronics Components Manufacturing Scheme (ECMS)**, involving an estimated investment of **Rs 7,503 crore**.

Exam Hints:

- ✓ **What?** Launch of Semicon 2.0 Portal and Approval ECMS Applications
- ✓ **Launched by:** Union Minister Ashwini Kumar Vaishnaw, MeitY
- ✓ **Applications Opened:** Pillars 2, 3 and 4
- ✓ **Launched as part of:** 2nd phase of the Semicon India Programme

- ✓ **New ECMS Approvals: 12**
- ✓ **Estimated Cost:** Rs 7,503 crore

About Semicon 2.o Portal: Following the launch of the new Semicon 2.0 portal, applications have now been operationalised for **03** of the programme's 06 strategic pillars: machines and materials (Pillar 2), establishing additional semiconductor fabrication facilities (Pillar 3), and strengthening the Assembly, Testing, Marking and Packaging (ATMP) and Outsourced Semiconductor Assembly and Test (OSAT) industry (Pillar 4).

12 Additional Approvals under ECMS:

Overview: In addition, he announced **12** additional approvals under the Electronics Components Manufacturing Scheme (ECMS) with an estimated investment of **Rs 7,503 crore,** bringing the total number of approved applications to 118 (covering 34 products across 16 states).

Target Segment Products: The latest approvals will cover 10 target segment products, spanning: **4 components:** Multi-layer Printed Circuit Board (PCB), relays, heat sinks and specialty ceramics;

- **5 supply chain products:** copper foil, anode material, cathode active material, polypropylene film and camera rim; and **Capital Goods** and their parts.

Component-wise Manufacturers: Manufacturers for the component category are: NeST ICELR Private Limited (Multi-layer PCB); TDConnex (Chennai) Private Limited (Relays); Modern Automotives Limited (Heat Sinks); and Voltix Semicon Private Limited (Specialty Ceramics).

- Manufacturers for supply-chain products: Indo Asia Copper Limited (copper foil); TACC Limited (anode material for lithium-ion cells); Vidyuta Materials Private Limited (cathode active material); Enerfolie LLP (polypropylene film) and Surface Modification Technologies Pvt. Ltd. (camera rims).
- **Manufacturers for capital goods and their parts:** TDConnex (Chennai) Private Limited (precision moulds and tooling); Rockwell Automation India Private Limited (capital equipment); and Wipro Pari Robotics Private Limited (capital equipment used in factory automation and system integration).

Coverage: The newly approved projects will span across 7 states i.e. Gujarat, Karnataka, Madhya Pradesh (MP), Maharashtra, Punjab, Tamil Nadu (TN) and Uttar Pradesh (UP).

Potential Outcome: The new approved projects are expected to generate production worth Rs 39,045 crore and generate 7,127 direct employment opportunities.

About Semicon 2.0:

Background: The Union Cabinet, chaired by Prime Minister (PM) Narendra Modi, had approved Semicon 2.0 with a total budget outlay of Rs 1,27,500 crore under the India Semiconductor Mission (ISM).

Key Pillars: The 2nd phase of the programme is centered around six strategic pillars such as: Pillar 1 (Design of Chips); Pillar 2 (Machines and Materials); Pillar 3 (Setting up More Fabs); Pillar 4 (Strengthening the ATMP/OSAT Industry); Pillar 5 (Research & Development, R&D); and Pillar 6 (Talent Development).

Key Projected Outcome: Now, with the approval of all 118 applications under ECMS, these projects are expected to attract a total investment of Rs 77,051 crore, with projected production worth Rs 5,73,146 crore and direct employment for 81,755 people.

About Ministry of Electronic and IT (MeitY):

Union Minister- Ashwini Vaishnaw (Rajya Sabha member- Odisha)
Minister of State **(MoS)-** Jitin Prasada (Constituency- Pilibhit, Uttar Pradesh, UP)

Union Minister Rajiv Ranjan Singh Launches Organic Fisheries SOP; Soreng in Sikkim Becomes India's First Organic Fisheries Cluster

In November 2026, Union Minister **Rajiv Ranjan Singh**, Ministry of Fisheries, Animal Husbandry and Dairying (MoFAHD), launched the Standard Operating Procedure **(SOP)** for organic fisheries certification for the Northeastern Region during his visit to Mangan, Sikkim.

- He also inaugurated projects worth **Rs 3.75 crore** under the Pradhan Mantri Matsya Sampada Yojana **(PMMSY),** while **Soreng district, Sikkim**, became **India's first notified Organic Fisheries Cluster** under PMMSY.

Exam Hints:

- ✓ **What?** Launch of SOP for Organic Certification of Fisheries in the Northeastern Region
- ✓ **Who?** Union Minister Rajiv Ranjan Singh MoFAHD.
- ✓ **Where?** Mangan district, Sikkim
- ✓ **When?** 2 November 2026.
- ✓ **Significance:** Soreng, Sikkim was notified as India's first Organic Fisheries Cluster under PMMSY
- ✓ **Inauguration:** PMMSY fisheries projects worth **Rs 3.75 crore**.
- ✓ **National Clusters**: 34 fisheries production and processing clusters
- ✓ **Organic Fish Varieties**: Amur carp, IMC and Trout.
- ✓ **Farmer Support**: 15 fish farmers from two fisheries cooperative societies.
- ✓ **Financial Assistance**: KCCs distributed; Five fish farmers received cheques under MMMUY

Highlights of the Visit:

Objective: Union Minister Rajiv Ranjan Singh visited Mangan district, Sikkim, to review fisheries development initiatives under PMMSY, as part of the Centre's structured mechanism for periodic visits by Union Ministers to Northeastern states to review development programmes and obtain beneficiary feedback.

Activities: The Minister visited a PMMSY-supported Live Fish Vending Centre, interacted with members of Fish Farmers' Cooperative Societies to understand their operational challenges, and distributed fish feed to 15 fish farmers belonging to two fisheries cooperative societies.

Organic Fisheries SOP: The SOP establishes a framework for organic fish production, certification and traceability, enhancing product credibility, consumer confidence and access to premium domestic and international markets.

PMMSY Projects: The inaugurated project under PMMSY supports hatcheries, feed mills, cold storage, Biofloc and Recirculatory Aquaculture Systems (RAS) to strengthen production, processing, value addition and marketing across the fisheries value chain.

Soreng Organic Fisheries Cluster:

- **Integration:** The cluster integrates organic production, certification, processing, value addition and marketing to strengthen the fisheries value chain and improve market access.
- **Focus:** The cluster promotes ecologically sustainable fish farming without harmful chemicals, antibiotics and pesticides, with emphasis on **Amur carp, Indian Major Carps (IMC) and Trout**, supporting premium market opportunities.
- **Clusters:** The Government has notified **34 fisheries production** and processing clusters nationwide, adopting a cluster-based approach integrating production, processing, value addition and marketing.

Copyright 2014-2026 @ AffairsCloud.com

Financial Assistance: Kisan Credit Cards **(KCCs)** were distributed to fish farmers and five farmers received cheques under Mukhya Mantri Matsya Uthpadhan Yojana (MMMUY).
Market Linkages: The Sikkim government signed a Memorandum of Understanding (MoU) with the Indo-Tibetan Border Police (ITBP) for institutional procurement of locally produced Rainbow Trout, creating a stable market for farmers.

About Pradhan Mantri Matsya Sampada Yojana (PMMSY):

Launch: PMMSY is a flagship scheme launched in **2020** by the Department of Fisheries **(DoF)** under the Ministry of Fisheries, Animal Husbandry and Dairying **(MoFAHD)** to drive the Blue Revolution through sustainable and inclusive growth in India's fisheries sector.
Objective: Launched for five years from Financial Year 2020–21 (FY21) to FY25 to usher in a Blue Revolution by targeting 22 million metric tons (MMT) of fish production, doubling fishers' and fish farmers' incomes, promoting sustainable fisheries and modernising infrastructure to reduce post-harvest losses.
Outlay: The scheme has an estimated outlay of **Rs 20,750 crore** (FY21-FY27) and covers all States and Union Territories.

India–Myanmar Rahat Mitra Exercise Concludes in Chennai, TN

In November 2026, India and Myanmar conducted the inaugural bilateral Tri-Services Humanitarian Assistance and Disaster Relief **(HADR)** Exercise **'Rahat Mitra'** on **5–6 November 2026** in Chennai, Tamil Nadu (TN), to enhance interoperability, coordination and exchange of best practices in disaster response.

- The exercise, coordinated by the Indian Navy (IN), brought together more than 300 personnel from the Indian Army (IA), Indian Air Force (IAF), IN and Myanmar Defence Forces under the theme "Together for Humanity, Stronger through Partnership."

Exam Hints:

- ✓ **What?** Inaugural India–Myanmar bilateral Tri-Services HADR Exercise 'Rahat Mitra'.
- ✓ **Participants?** IA, IN, IAF and Myanmar Defence Forces.
- ✓ **Where?** Chennai, Tamil Nadu.
- ✓ **When?** 5–6 November 2026.
- ✓ **Objective** – Enhance operational interoperability, coordination and disaster-response preparedness.
- ✓ **Scenario** – TTX based on a severe cyclone.
- ✓ **Indian Army** – Demonstrated obstacle clearance, bridge-laying, rescue, dewatering and Flood Relief capabilities.
- ✓ **Indian Navy** – Showcased shipborne HADR, FRT and SAR capabilities.
- ✓ **Indian Air Force** – Demonstrated casualty evacuation using ALH.
- ✓ **Infrastructure** – INS Adyar and Communication Network Centre
- ✓ **Key Aircraft/Ships** – Chetak helicopter and INS Bitra participated
- ✓ **Myanmar Participation** – Commodore Aung Niang Win and two Myanmar officers participated

Highlights of the Rahat Mitra Exercise 2026:

Planning: A Table-Top Exercise **(TTX)** based on a severe **cyclone scenario** enabled both sides to discuss coordinated response mechanisms and joint disaster management protocols.
Army: The IA demonstrated obstacle clearance, bridge-laying, rescue and dewatering operations, highlighting Engineer Task Force and Flood Relief capabilities.

Copyright 2014-2026 @ AffairsCloud.com

Navy: The IN showcased shipborne HADR capabilities through **INS Sukanya**, while Flood Relief Teams (FRT) demonstrated specialised flood-relief equipment and Maritime Search and Rescue (SAR) through coordinated manoeuvres involving a **Chetak helicopter** and **INS Bitra**.
Air Force: The IAF demonstrated **casualty evacuation** using an Advanced Light Helicopter (ALH), with Commodore Aung Niang Win and two Myanmar Defence Forces officers onboard during the airborne operations.
Disaster Coordination: The Military Hospital, Chennai, TN demonstrated field medical triage and disaster relief camp management, while INS Adyar and the Communication Network Centre showcased shore-based HADR arrangements and emergency communication infrastructure for effective command and control.
Significance: Reinforces India's **'Neighbourhood First'** policy and **MAHASAGAR** (Mutual and Holistic Advancement for Security and Growth Across Regions) vision while strengthening regional peace, stability and humanitarian cooperation.

About Indian Army (IA):

Chief of the Army Staff **(COAS) –** General Dhiraj Seth
Headquarters – New Delhi, Delhi India
Established – 1 April 1895

MHA Relaxes Passport and Visa Rules for Several Categories of Foreign Nationals Residing in India

In November 2026, the Ministry of Home Affairs (MHA) notified the **'The Immigration and Foreigners (Exemption) (Amendment) Order, 2026',** relaxing passport and visa rules for several categories of foreign nationals residing in India.

- In addition, the amended rules have revised travel and identification requirements for **Indian, Nepalese, and Bhutanese** citizens travelling between the neighbouring countries.

Exam Hints:

- ✓ **What?** Notification of 'The Immigration and Foreigners (Exemption) (Amendment) Order, 2026'
- ✓ **Notified by:** MHA
- ✓ **Purpose:** Relaxation of Passport and Visa Rules for Several Categories
- ✓ **Relaxation to:**
  - **Persecuted religious minorities:** Hindu, Sikh, Buddhist, Jain, Parsi, and Christian
  - **From Which Countries?** Afghanistan, Bangladesh, and Pakistan
  - **Cut-off Date for Minorities:** Entered India on or before December 31, 2024
- ✓ **Other Categories:** Pakistan nationals (entered India on or before December 31, 2009), PIOs, Sri Lankan Tamil Refugees & Tibetans, among others

Relaxation to Specific-Categories:

Exemption for Pakistan Nationals: Those who entered India on or before 31 December 2009 for permanent settlement are exempt from passport renewal requirements if they lack Pakistan's Computerized Nationality Identity Card **(CNIC),** provided they have not married or acquired immovable property in Pakistan and have no adverse police or security reports.
PIOs: The exemption is also applicable to Persons of Indian Origin (PIO) who acquired Malaysian or Singaporean citizenship and returned to India on or before December 31, 2009, using passports issued by those countries, which have since expired and cannot be renewed.

- However, they are required to obtain a visa category for their continued stay in India.

Sri Lankan Tamil Refugees & Tibetans: Registered Sri Lankan Tamil refugees who took shelter in India on or before 9 January 2015, and eligible Tibetans who entered India with specified entry permits issued by the

Indian Embassy in Kathmandu, Nepal, and registered with the concerned authorities, are exempt from prescribed passport and visa requirements.

Persecuted Religious Minorities: The revised rules have exempted members of **Hindu, Sikh, Buddhist, Jain, Parsi,** and **Christian** communities from **Afghanistan, Bangladesh,** and **Pakistan** who entered India on or before December 31, 2024, after facing religious persecutions in these countries.

- Additionally, the exemption is also applicable to those who entered without valid passports or other travel documents, as well as those whose documents have expired. However, in order to continue their stay in India, they need to obtain an appropriate visa after entering India.

Other Key Provisions:

Definition of Visa Manual: Through the amendment, the Government of India (GoI) defined "visa manual" document as a manual issued by the central government which contains instructions on visas; immigration; related matters; procedural incidental to immigration and visa administration.

Cross-Border Travel: The revised rules allow citizens of India, Nepal and Bhutan to travel between these countries by land or air using identification documents prescribed in the government's Visa Manual instead of passports. However, travel involving other countries, including transit through **China, Macau, Hong Kong or Pakistan**, requires valid passports and applicable visas, subject to prescribed conditions.

Ministry of Minority Affairs Organises 'Samavesh Se VIKAS' in New Delhi, to Review PM VIKAS Implementation

In November 2026, the Ministry of Minority Affairs (**MoMA**) organised **'Samavesh Se VIKAS – Implementation Review and Stakeholder Dialogue'** at Samrasta Hall, Dr. Ambedkar International Centre, **New Delhi, Delhi,** to review the implementation of Pradhan Mantri Virasat Ka Samvardhan (**PM VIKAS**) Scheme.

Exam Hints:

- ✓ **Event:** "Samavesh Se VIKAS – Implementation Review and Stakeholder Dialogue"
- ✓ **Organised by:** Ministry of Minority Affairs
- ✓ **Where?** Dr. Ambedkar International Centre (DAIC), New Delhi (Delhi)
- ✓ **Key Objective:** To review the implementation of PM VIKAS scheme
- ✓ **Key Outcome:** Signing of several MoUs
- ✓ **MoUs Signed with:** Pithampur Auto Cluster (PAC); Centre of Excellence in Maritime & Shipbuilding (CEMS); and Institute of Entrepreneurship Development (IED)

Key Details of the Event:

Participation: The event brought together more than 80 participants, including representatives of Project Implementing Agencies (PIAs), senior officials such as Shyama Prasad Roy, Joint Secretary of MoMA, and Neha Giri, Director, MoMA; and other stakeholders.

Key MoUs: The event saw the signing of several Memoranda of Understanding (MoUs) under PM VIKAS with:

- **Pithampur Auto Cluster (PAC):** Training for 2,400 candidates in Madhya Pradesh (MP) in roles including Electric Vehicle Service Technician, Computer Numerical Control (CNC) Milling Programmer, Warehouse Associate and Supply Chain Executive.
- **Centre of Excellence in Maritime & Shipbuilding (CEMS):** Training for 6,300 candidates across Karnataka, Puducherry, Maharashtra, Telangana, West Bengal, Odisha and Gujarat in roles such as Business Analyst, Warehouse Supervisor and Artificial Intelligence (AI) Technocrat.

- **Institute of Entrepreneurship Development (IED):** Training for 900 candidates in Uttar Pradesh (UP) as Solar Photovoltaic (PV) Installers under the Suryamitra job role.
- **Central University of Kashmir:** A separate MoU, signed on 3 November 2026, will provide 390 hours of willow craft training to 120 candidates in Ganderbal district, Jammu and Kashmir (J&K).

IB Solar Signs MoU with German Technology Leaders to Set Up India's First CoE for Solar Technology in UP

In November 2026, Integrated Batteries India Pvt. Ltd. **(IB Solar)** signed a Memorandum of Understanding **(MoU)** with **German technology firms,** including Centrotherm International AG, RENA Technologies GmbH, and ISC Konstanz, to set up **India's 1st** Centre of Excellence **(CoE) for Solar Technology** at the Yamuna Expressway Industrial Development Authority (YEIDA) region in Uttar Pradesh **(UP).**

- The MoU was signed at the Bharat Renewable Energy (RE) Summit 2026 held at Bharata Mandapam in New Delhi, Delhi.

Exam Hints:

- ✓ **What?** Signing of MoU
- ✓ **Entities Involved:** IB Solar and German tech firms
- ✓ **German Tech Firms:** Centrotherm International AG, RENA Technologies GmbH, and ISC Konstanz
- ✓ **Purpose:** To set up India's 1st CoE for solar technology
- ✓ **Where?** YEIDA, UP.

About India's 1st CoE for Solar Technology:

Supported by: The newly formed strategic partnership is supported by industry and bilateral organisations: National Solar Energy Federation of India (NSEFI), Bundesverband Solarwirtschaft e.V. (BSW), and Deutsche Gesellschaft fur Internationale Zusammenarbeit (GIZ) GmbH.

Focus Areas: The proposed CoE will provide a platform to promote technology, Research & Development (R&D); and skill development.

Significance: The new facility is expected to enhance manufacturing processes, improve product efficiency, develop advanced solar technologies and facilitate knowledge sharing between industry and research institutions.

About IB Solar: Established in 2014, IB Solar is a leading RE and solar technology manufacturer in India with manufacturing headquarters in Noida, UP.

INTERNATIONAL AFFAIRS

Commonwealth Heads of Government Meeting 2026 Held in Antigua and Barbuda

The 28th Commonwealth Heads of Government Meeting **(CHOGM 2026)** held from November 1 to 4, 2026, in St. John's, Antigua and Barbuda, under the chairmanship of **Gaston Alphonso Browne,** Prime Minister (PM) of Antigua and Barbuda.

- The summit was formally inaugurated by **King Charles-III,** as Head of the Commonwealth.

Exam Hints:

- ✓ **Event:** Commonwealth Heads of Government Meeting 2026(28th)
- ✓ **Held at:** St. John's, Antigua and Barbuda
- ✓ **Chaired by:** Gaston Alphonso Browne, PM of Antigua and Barbuda.
- ✓ **Theme:** "Accelerating Partnerships and Investment for a Prosperous Commonwealth"
- ✓ **Investment Commitments:** USD 500 million (in RE, skills development, among others)
- ✓ **Trade Initiative**: Commonwealth Trade Portal
- ✓ **Indian Delegation Led by:** Union Minister Dr. S. Jaishankar, MEA

- ✓ **India–Guyana Agreement**: USD 500 million Line of Credit (LoC) for roads, healthcare and defence.

About CHOGM 2026:

Overview: CHOGM is a biennial summit which brings together Heads of Government, Ministers, and representatives from business, civil society, and youth organisations, to address shared challenges and advance cooperation across diverse regions and economies.

Theme & Participation: The 4-day long event held under the theme "Accelerating Partnerships and Investment for a Prosperous Commonwealth", saw the participation of more than 4,000 delegates across the 56 member nations.

Chair-in-Office: Antigua and Barbuda's PM **Gaston Browne** assumed the role of Commonwealth Chair-in-Office (CIO) at CHOGM 2026, succeeding Samoa's PM Fiamē Naomi Mata'afa, and will serve until CHOGM 2028.

Other Key Events: CHOGM 2026 featured the 14th Commonwealth Youth Forum, focusing on youth empowerment and climate action; the 5th Commonwealth Women's Forum, promoting gender equality; the Commonwealth Business Forum, strengthening trade and investment partnerships; and the Commonwealth People's Forum, addressing development challenges and democratic participation.

Key Outcome: Commonwealth leaders adopted a **joint communiqué** focusing on trade, investment, climate resilience, democratic governance and sustainable development. They welcomed the Commonwealth Trade Portal, discussed an investment pipeline worth over **USD 52 billion across 28 developing countries**.

- Commonwealth Secretary-General **Shirley Ayorkor Botchwey** launched the **Commonwealth Trade Portal**, while the summit mobilised **USD 500 million** in investment commitments for renewable energy, youth skills development, trade and economic growth.

India at CHOGM 2026:

Indian Representation: Union Minister Dr. S. Jaishankar, Ministry of External Affairs (MEA), who participated in high-level discussions and held bilateral meetings on the sidelines of the summit.

Bilateral Meeting with Guyana President: On the sidelines of CHOGM, External Affairs Minister (EAM) Dr. S. Jaishankar held a bilateral meeting with **Irfaan Ali,** President, during which both leaders discussed ways to further strengthen cooperation in areas like: trade and investment; energy; agriculture; infrastructure development; digital technology and capacity building.

- **Key Announcement:** During the meeting, EAM S. Jaishankar announced an extension of a **USD500 million** Line of Credit (LoC) to Guyana to support its road, healthcare and defence projects in Guyana.
- **Key MoUs:** In addition, both countries signed supply and installation of Micro and Small Enterprises (MSEs) manufacturing projects; grant assistance for implementation of Quick Impact Projects (QIPs) and cooperation in the field of Digital Public Infrastructure (DPI), including the development of a Unified Payments Interface (UPI)-like system in Guyana.

Other Bilateral Engagements: Apart from bilateral meeting with Guyana's President, EAM Jaishankar also met with Andy Burnham, Prime Minister (PM) of the United Kingdom (UK) during which both leaders discussed ways to strengthen the economic partnership between the two countries in the context of the Comprehensive Economic and Trade Agreement (CETA); and also interacted with Anthony Albanese, PM of Australia on the sidelines of the summit.

Commonwealth of Nations: Established in 1949 following the London Declaration, the Commonwealth of Nations is headquartered at Marlborough House, London, United Kingdom (UK). It comprises 56 member countries, with King Charles III serving as the Head of the Commonwealth.

India, Sri Lanka, Maldives and Bangladesh Launch BOB-NOR to Strengthen Climate-Resilient Fisheries

In November 2026, **India, Sri Lanka, Bangladesh and the Maldives** collaborated with the oceanographers and marine scientists to launch a Regional Research Network (**RRN**) named "Bay of Bengal Network of Ocean Researchers for Fisheries **(BOB-NOR)"** aimed to strengthen climate-resilient fisheries in BoB region by integrating oceanographic observations, climate information and fisheries data.

Exam Hints:

- ✓ **What?** Launch of regional research network
- ✓ **Network Name:** "Bay of Bengal Network of Ocean Researchers for Fisheries (BOB-NOR)"
- ✓ **Launched by:** India, Sri Lanka, Bangladesh and Maldives
- ✓ **Launched Where?** At an international meeting held at ICAR-CMFR headquarters in Kochi (Kerala)
- ✓ **Purpose:** To strengthen climate-resilient fisheries in BoB region

Key Details:

Launch Event: The announcement of the launch of the new initiative was formally made at an international meeting held at the Indian Council of Agricultural Research-Central Marine Fisheries Research Institute (ICAR- CMFRI) in Kochi (Kerala) on the sidelines of an international symposium on fisheries and remote sensing.

- The Department of Fisheries (DoF) under the Ministry of Fisheries, Animal Husbandry and Dairying (MoFAH&D), along with the support of GEO Blue Planet and the Trevor Platt Science Foundation hosted the event.

Participants: The meeting saw the participation of the representatives from these four countries and oceanographers and marine scientists from several nations, including the United States of America (US), Brazil, Chile, Portugal, the United Kingdom (UK) and Greece.

Complementary Network: BOB-NOR will complement the existing **Bay of Bengal Stock Assessment Network (BOBSAN)**, which focuses on fish-stock assessment, recruitment, fishing mortality and catch-related information.

About ICAR-CMFRI: ICAR-CMFRI, India's premier tropical marine fisheries research institute, was initially established on February 03 1947 under the Ministry of Agriculture and Farmers Welfare (MoAFW) and later joined ICAR in 1967, with headquarters in Kochi, Kerala.

BANKING & FINANCE

SEBI Introduces MF Settlement Netting Framework, Eases Accredited Investor Norms and Cuts INR Derivative Limits

In November 2026, the Securities and Exchange Board of India (**SEBI**) issued a new framework, in which Mutual Fund (**MF**) schemes will be allowed to net fund obligations arising from outright purchase and sale transactions in the cash market.

- The SEBI eased accredited investor norms by allowing fund managers to certify eligibility and reduced the Indian Rupee **(INR) currency derivatives limit** without underlying exposure to **USD 5 million** for domestic clients and Foreign Portfolio Investors (FPIs).

Exam Hints:

- ✓ **What?** Introduces three capital market regulatory reforms
- ✓ **Regulator:** SEBI

Copyright 2014-2026 @ AffairsCloud.com

- ✓ **MF Settlement Framework:** Net settlement of funds for eligible cash-market transactions
- ✓ **Effective From:** 1 April 2027
- ✓ **Accredited Investor Norms:** Manager-led accreditation permitted
- ✓ **Accreditation Validity**: 3 years
- ✓ **Minimum Securities Exposure:** Rs 5 crore for individuals and Rs 20 crore for eligible corporate entities/trusts
- ✓ **INR Derivatives Limit:** Reduced from USD 100 million to USD 5 million without proof of underlying exposure
- ✓ **Applicable to:** Domestic clients and Foreign Portfolio Investors.

New Framework Overview:

New Framework: Effective from **1 April 2027**, SEBI will allow Mutual Fund (MF) schemes to undertake **net settlement of funds** for outright transactions in the cash market.

Settlement Mechanism: The SEBI stated that the facility would be offered at the individual mutual fund scheme level, while securities settlement would continue to follow the gross settlement mechanism.

- There will be no adjustment of obligations between different schemes of the same mutual fund.

Existing Framework: Under the current framework, institutional investors must settle cash market transactions on a gross basis, ensuring delivery of securities for every trade.

- They are also prohibited from undertaking intraday squaring-off of transactions.

Outright transaction: Outright transaction is defined as either a purchase or a sale transaction, but not both, in a particular security during the same settlement cycle.

- If a mutual fund scheme buys and sells the same security within the same settlement cycle, those transactions will be classified as non-outright transactions and will not qualify for net settlement.

Residual Obligation: If the value of outright purchase transactions exceeds the value of outright sale transactions, the scheme must fund the residual amount.

- If outright sale proceeds exceed outright purchase obligations, the excess cannot be adjusted against non-outright purchase obligations and Non-outright purchase obligations will continue to be funded separately on a gross basis.

Charges: Securities Transaction Tax (STT) and stamp duty will continue to apply on a delivery basis.

Implementation and Compliance:

- **AMFI:** The Association of Mutual Funds in India (AMFI) will formulate implementation standards in consultation with stock exchanges, clearing corporations, custodians and other stakeholders.
- **Asset Management Companies (AMC) and Custodians:** They must establish adequate systems and controls to identify eligible outright transactions and exclude non-outright transactions.
- **Audit Trail**: Custodians must maintain records of gross obligations, netted fund obligations and excluded transactions.
- **Trustees:** Trustees will review the implementation to ensure that the framework operates in the interest of mutual fund unit-holders

Excluded Transactions: The following transactions will remain outside the scope of the net settlement framework:

- Derivatives transactions.
- Securities Lending and Borrowing (**SLB**) transactions.
- Short-sale-related transactions.

Revised Accredited Investor Framework:

Manager Led Accreditation: Under the revised framework, AIFs (Alternate Investment Funds), SIFs (Specialised Investment Fund) and portfolio managers can also certify an investor's eligibility directly.

- This is an additional and optional route. The existing accreditation process through recognised Accreditation Agencies will continue.

Copyright 2014-2026 @ AffairsCloud.com

Exposure threshold: SEBI has introduced securities market exposure as an additional eligibility criterion:

- **Rs 5 crore (Cr)**: Individuals, Hindu Undivided Families (HUFs), family trusts and sole proprietorships.
- **Rs 20 Cr**: Body corporates and trusts other than family trusts.

Securities: The following shall qualify as securities market exposure:

- Securities held in dematerialised form
- Mutual fund investment held through mutual fund folios
- Unlisted securities held in dematerialised form
- Investment in the overseas securities market and
- Investments under the National Pension System

Validity: Manager-led accreditation will remain valid for **three years** from the date of accreditation.

- Investors accredited when joining a scheme will retain their accredited status for the **remaining life** of that scheme.

Compliance: Managers must maintain supporting documents and verification records for at least **five years.**

SEBI Limits Rupee Currency Derivatives Position:

Revised Limit: SEBI reduced the limit for outstanding positions in INR-linked currency derivatives without underlying exposure from **USD 100 million to USD 5 million** for domestic investors and Foreign Portfolio Investors (FPIs).

Purpose: The regulator introduced this limit to curb excessive speculation in the rupee and maintain stability in the foreign exchange market.

Applies to: The SEBI confirmed that the USD 5 Mn limit applies to the combined outstanding positions across all currency pairs involving the rupee, rather than separately to each currency pair or exchange.

Key Terms:

PROI: Persons Resident Outside India (PROIs), as defined under the Foreign Exchange Management Act (FEMA), 1999, will be treated as deemed Accredited Investors without requiring a separate accreditation certificate.

Accredited Investor (AI) : An AI is an individual or entity recognised by SEBI as having the required financial capacity, investment experience or market exposure to invest in specialised investment products that may carry higher risks.

About Securities and Exchange Board of India (SEBI):

The SEBI, a market regulator, was constituted as a non-statutory body on April 12,1988 through a resolution of the Government of India (GoI) and was established as a statutory body in 1992.

Chairman – Tuhin Kanta Pandey

Headquarters – Mumbai, Maharashtra

MobiKwik's Arm MFSPL Secures RBI Approval to Operate as NBFC

In November 2026, MobiKwik Financial Services Private Limited **(MFSPL),** wholly-owned subsidiary of One MobiKwik Systems Limited, secured the final Certificate of Registration **(CoR)** from the Reserve Bank of India (RBI) to operate as a Non-Banking Financial Company **(NBFC).**

- The final CoR was granted under Section 45-IA of the Reserve Bank of India Act, 1934, permitting the subsidiary to undertake NBFC operations.

Exam Hints:

- ✓ **What?** Fintech firm secures CoR
- ✓ **Fintech Firm Name:** MFSPL
- ✓ **Secured from:** RBI
- ✓ **Purpose:** To operate as NBFC

- ✓ **Legal Provision:** Section 45-IA of RBI Act, 1934 .

Key Details:

Approval: The approval will enable the fintech firm to originate loans directly through its subsidiary, rather than operating as a Lending Service Provider (LSP) for other lenders.
Loan Target: The company plans to disburse loans worth **Rs 5,000 crore** over the next 3 to 4 years.
Business Model: The company will operate through an asset-light co-lending model with banks and other NBFCs, and later sell its own loans.
Future Plans: The fintech firm further plans to offer both secured and unsecured credit to consumers and Micro, Small and Medium Enterprises (MSMEs) across India.
About MFSPL: Incorporated in March 2025, MFSPL, a leading fintech firm, with headquarters in Gurugram, Haryana.

SBI's USA Subsidiary Opens First Branch Outside California in Texas

In November 2026, State Bank of India (**SBI**) inaugurated a new branch of its wholly owned subsidiary, State Bank of India (California) (**SBIC Bank**), in Frisco, North Dallas, Texas, United States of America (USA), marking its **first** physical expansion beyond California and taking its total USA locations to **eight**.

- The inauguration was led by **Challa Sreenivasulu Setty**, Chairman, SBI Group in the presence of D. C. Manjunath, India's Consul General in Houston and Mark Hill, Mayor of Frisco.

Exam Hints:

- ✓ **What?** Opens New Branch in Texas
- ✓ **Subsidiary:** SBIC Bank (SBI)
- ✓ **New Branch Location:** Frisco, North Dallas, Texas, USA.
- ✓ **Inaugurated By:** Challa Sreenivasulu Setty, SBI Group Chairman
- ✓ **Total USA Locations of Subsidiary:** 8.

About SBI New Branch:

Objective: The expansion aims to strengthen India–USA economic and commercial relations, improve cross-border financial connectivity and support business activities in North Texas.
Coverage: The Frisco branch will provide retail and business banking services to individuals, professionals, entrepreneurs and corporate customers across North Texas.
Services: The branch will offer personal and business deposits, commercial lending, international remittances and specialised banking services for Non-Resident Indians (NRIs).
USA Operations: SBI maintains full-service branches in New York, Chicago and Los Angeles, a representative office in Washington, DC, and an additional subsidiary banking network.
About SBI: Headquartered in Mumbai, Maharashtra, SBI is India's largest bank by assets and deposits, tracing its origins to the Bank of Calcutta (1806), which later became part of the Imperial Bank of India (1921) before its transformation into SBI on 1 July 1955.

APPOINTMENTS AND RESIGNATIONS

Pedro Alliana Sworn In as Paraguay's New President Following Santiago Peña's Impeachment

On 6 November 2026, **Pedro Alliana**, former Vice-President (VP) of Paraguay and a member of the National Republican Association (ANR) or Colorado Party, was sworn in as the **new President** of Paraguay following the removal of **former President Santiago Peña** by the Senate through impeachment proceedings.

- Pedro Alliana assumed office to complete the existing 2023–2028 presidential term, ending on **15 August 2028.**

Exam Hints:

- ✓ **What?** New President of Paraguay sworn in following impeachment
- ✓ **New President**: Pedro Alliana
- ✓ **Succeeded:** Santiago Peña
- ✓ **Political Party:** ANR, known as the Colorado Party
- ✓ **Previous Position:** Vice-President of Paraguay (2023–2026).

Background:

Impeachment Proceedings: On 5 November 2026, Paraguay's Chamber of Deputies approved the impeachment proceedings against Peña with 78 votes. The Senate subsequently voted for his removal on 6 November 2026.

Former Supreme Court Judge Justice Rajesh Bindal Appointed Chairperson of NCLAT

On **5 November 2026**, the Central Government appointed former Supreme Court Judge **Justice Rajesh Bindal** as Chairperson of the National Company Law Appellate Tribunal **(NCLAT)** for a five-year tenure **(2026–2031).**

- He succeeded **Justice Ashok Bhushan** (retired on 4 July 2026) as NCLAT Chairperson, replacing Officiating Chairperson **Justice Yogesh Khanna.**

Exam Hints:

- ✓ **What?** Appointment of NCLAT Chairperson
- ✓ **Who?** Justice Rajesh Bindal
- ✓ **Tenure:** Five years
- ✓ **Succeeded:** Justice Ashok Bhushan and replaced Officiating Chairperson Justice Yogesh Khanna (officiating Chairperson)
- ✓ **NCLAT Established:** 1 June 2016
- ✓ **Constituted Under:** Section 410 of the Companies Act, 2013.

About Justice Rajesh Bindal:

Judicial Career: Elevated to the Punjab and Haryana High Court in 2006, he subsequently served in the Jammu and Kashmir and Ladakh High Court and Calcutta High Court.
Chief Justice: Became Chief Justice of the Allahabad High Court in October 2021.
Supreme Court: Elevated to the Supreme Court of India (SCI) on 13 February 2023 and retired on 15 April 2026.
Legal Reforms: Chaired a committee to frame draft rules on Electronic Evidence.
Child Protection: Chaired the committee that drafted the Protection of Children (Inter-Country Removal and Retention) Bill, 2018.
Post-Retirement Appointments: Following his retirement, **Justice Rajesh Bindal** was appointed Emeritus Professor at the National Forensic Sciences University **(NFSU)** and Honorary Distinguished Jurist at Galgotias University School of Law.

About NCLAT:

Overview: It is a quasi-judicial body established under Section 410 of the Companies Act, 2013, constituted on 1 June 2016 to hear corporate, insolvency and competition-related appeals under the Ministry of Corporate Affairs (MCA).
Jurisdiction: Hears appeals against orders of four bodies: National Company Law Tribunal (NCLT), Insolvency and Bankruptcy Board of India (IBBI), Competition Commission of India (CCI) and National Financial Reporting Authority (NFRA).

Acquisition & Mergers

Adani Ports to Acquire 100% Stake in Netherlands-Based Evos for USD 2.88 Billion

On 5 November 2026, Adani Ports and Special Economic Zone Limited **(APSEZ) a**nnounced an agreement to acquire **a 100% stake** in **Evos B.V.** (Evos Besloten Vennootschap)**,** a Netherlands-based private limited liability company specialising in liquid storage and terminal operations, from Igneo Infrastructure Partners for an enterprise value of **USD 2.88 billion.**

Exam Hints:

- ✓ **What?** Acquisition of 100% stake in Evos B.V
- ✓ **Who?** Adani Ports and Special Economic Zone Limited (APSEZ)
- ✓ **Target Company:** Evos B.V., Netherlands
- ✓ **Seller:** Igneo Infrastructure Partners

- ✓ **Acquisition Value:** USD 2.88 billion

About Deal Valuation:

Objective: The acquisition aims to strengthen APSEZ's presence in Europe, expand its liquid storage business and enhance its global port and logistics network.

Structure: APSEZ's all-cash acquisition of Evos from Igneo Infrastructure Partners values it at EUR 2.56 billion enterprise value (Rs.27,200 crore) and EUR 1.18 billion equity value, at 11.7x Calendar Year 2025 Enterprise Value to Earnings Before Interest, Taxes, Depreciation and Amortisation (CY25 EV/EBITDA), including assumed debt of EUR 1.38 billion.

European Expansion: The acquisition provides entry into Europe through 8 port-based terminals across the Netherlands, Germany, Belgium, Spain and Malta, adding 6.3 million cubic metres of storage capacity and expanding APSEZ's network to 28 ports and terminals across 10 countries.

About APSEZ: It is India's largest port operator and an integrated transport operator, engaged in port operations, logistics, rail transport and multimodal transportation services.

India Successfully Completes Unmanned Trials of MATSYA-6000 Human Submersible under Deep Ocean Mission

In November 2026, **India** successfully completed unmanned trials of the **MATSYA-6000 Human Submersible** under the Deep Ocean Mission (**DOM**), as part of the **Samudrayaan** Project validating its critical flotation, submerged stability and ballast systems and clearing it for the next phase of testing.

- The trials were conducted in the presence of **Srinivas Kumar Tummala**, Secretary, Ministry of Earth Sciences (**MoES**) and **G.A. Ramadass**, Director, National Institute of Ocean Technology (**NIOT**) at the Larsen & Toubro (L&T) Shipyard in Kattupalli, Tamil Nadu (TN).

Exam Hints:

- ✓ **What?** Successful trial of unmanned trials of MATSYA-6000
- ✓ **Umbrella Project:** Samudrayaan Mission (under DOM)
- ✓ **Where?** L&T Shipyard in Kattupalli, TN
- ✓ **Key Systems Tested:** Flotation, submerged stability and ballast systems.
- ✓ **Developed By:** NIOT, in collaboration with ISRO
- ✓ **Maximum Operational Depth:** 6,000 m.
- ✓ **Crew Capacity:** 3 members.
- ✓ **Normal Operational Endurance:** 12 hours, life support up to 96 hours.
- ✓ **Purpose:** Develop indigenous technologies for deep-sea exploration and support India's Blue Economy.

About MATSYA-6000 Unmanned Trials:

Trials Validation: Validated flotation, submerged stability, ballast systems, component integration and performance; previous trials tested navigation, communication, power management and life-support systems.

Significance: The MATSYA submersible advances indigenous technology, scientific exploration, crew safety, technology development and India's Blue Economy.

About MATSYA-6000:

Development: Developed by the National Institute of Ocean Technology (NIOT), Chennai, TN, an autonomous institute under MoES in collaboration with the Indian Space Research Organisation (ISRO).

Copyright 2014-2026 @ AffairsCloud.com

Components: The submersible is equipped with a ballast system for controlled diving, multidirectional thrusters for movement, a battery bank for power supply, syntactic foam for buoyancy, and advanced control systems for navigation.
Hull Specifications: The submersible features a 2.1 m (metre) internal diameter spherical personnel hull, made of Ti6Al4V-ELI high-strength titanium alloy, with an 80 mm (millimetre) wall thickness, manufactured using 40 kW (kilowatt) Electron Beam Welding (EBW) technology.
Communication Systems: The submersible is equipped with an acoustic modem and underwater telephone for underwater communication, Very High Frequency (VHF) radio for surface communication, and a Global Positioning System (GPS) for precise location tracking.
Operational Conditions: The submersible can operate at depths of up to 6,000 metres, withstand pressures of 600 bar and external temperatures of around –3°C (Celsius), while maintaining an internal temperature of approximately 10°C.
Endurance: The submersible has a 12-hour operational cycle comprising 4 hours each for descent, seabed exploration and ascent, while its emergency life-support system, supported by 61 oxygen cylinders, can sustain the three-member crew for up to **96 hours** (4 days).
Emergency Life Support System (ELSS): The habitation module maintains controlled atmospheric pressure and internal temperature, while humidity controllers and carbon dioxide scrubbing systems ensure a safe environment for the crew.

About the Samudrayaan Mission:

Overview: Launched in 2021 as India's first manned deep-ocean exploration mission, Samudrayaan is part of DOM steered by MoES and implemented by NIOT in collaboration with ISRO, to support the Central Government's Blue Economy policy.

- DOM was approved by the Cabinet Committee on Economic Affairs (**CCEA**) in June 2021, with an estimated outlay of **Rs. 4,077 crore** for a five-year implementation period (2021–2026)

Aim: The mission aims to develop a self-propelled manned submersible capable of carrying 3 crew members to a depth of 6,000 m to explore deep-ocean resources and assess marine biodiversity without disturbing the ecosystem.

About National Institute of Ocean Technology (NIOT):

Overview: NIOT develops indigenous world-class technologies in ocean engineering, deep-sea mining, desalination using Low Temperature Thermal Desalination (LTTD), and marine robotics.

Anuj Shrivatri Becomes India's 100th Chess Grandmaster After Winning 7th ASEAN+ Individual Open Championship in Philippines

Anuj Shrivatri, a 22-year-old International Master (IM) from Madhya Pradesh **(MP),** became **India's 100th Grandmaster (GM)** after winning the **7th ASEAN+ Individual Open Chess Championship** held from 3–8 November 2026 in Ozamiz City, **Philippines,** scoring seven points to secure the title.

- He also became the **first GM from MP**, marking India's 100-GM milestone, 38 years after Viswanathan Anand became the country's first GM in 1988.

Exam Hints:

- ✓ **What?** India's 100th Chess Grandmaster
- ✓ **Who?** Anuj Shrivatri, a 22-year-old IM from MP

Copyright 2014-2026 @ AffairsCloud.com

- ✓ **Tournament?** 7th ASEAN Plus Individual Open Chess Championship
- ✓ **Where**? Ozamiz City, Philippines
- ✓ **Significance:** 1st GM from MP.

About the Achievements of Anuj Shrivatri:

Direct GM Title: Anuj Shrivatri earned the Grandmaster (GM) title directly by winning the championship, as per the regulations approved by the International Chess Federation (FIDE).
National: Secured 3rd place at the 2016 National Under-13 Championship.
World: Finished 4th with an unbeaten score of 8/11 at the 2017 World Youth Under-14 Championship in Uruguay.
IM Norms: Earned International Master (IM) norms at the Sitges Open 2018 and Sant Adria 2019 in Spain, and a tournament in Goa (2019).
Achievement: Officially received the International Master (IM) title in 2020, becoming the youngest IM from MP.

FIDE Criteria for Chess GM Qualification:

Titles: GM is the highest chess title awarded by FIDE (International Chess Federation), which also awards IM, FIDE Master (FM) and Candidate Master (CM) titles.
Three GM Norms: Players must perform exceptionally well in FIDE-approved tournaments against strong, titled opponents.
2500 Elo Rating: They need to reach a FIDE rating of at least 2500 at any point in their career.
International Tournaments: The norms must be earned in events featuring players from different countries.
Performance Rating: Each norm should show a performance level of around 2600 or above

Indian Fast Bowler and Arjuna Awardee Mohammed Shami Retires from Test Cricket After 13-Year Career

In **November 2026**, 36-year-old Indian fast bowler and Arjuna Awardee **Mohammed Shami** announced his retirement from Test cricket after a 13-year career, ending with **229 wickets in 64 Tests**, while continuing to represent India in white-ball cricket.

- He received the **Arjuna Award,** India's second-highest sporting honour, from President Droupadi Murmu on **9 January 2024**.

Exam Hints:

- ✓ **What?** Announcement of retirement from Test cricket
- ✓ **Who?** Mohammed Shami, Indian right-arm fast bowler
- ✓ **When?** 6 November 2026
- ✓ **Test Career**: 229 wickets in 64 Tests at 27.71 average, with best figures of 6/56 and 6 five-wicket hauls.
- ✓ **Test Debut**: 6 November 2013 vs West Indies
- ✓ **Debut Venue**: Eden Gardens, Kolkata
- ✓ **Last Test**: June 2023 vs Australia
- ✓ **2023 ODI World Cup**: Leading wicket-taker with 24 wickets in 7 innings

About Mohammed Shami:

Profile: Born on 3 September 1990 in Amroha, Uttar Pradesh (UP), Mohammed Shami is an Indian right-arm fast bowler who began training in Moradabad before moving to Kolkata, West Bengal (WB), where he

played club cricket and progressed to Bengal.
Debut: Shami made his Test debut against West Indies at Eden Gardens, Kolkata, WB, on 6 November 2013, taking **9 wickets** in the match and making an impressive start to his international Test career.
Test Match: Played 64 Tests and took **229 wickets,** with a bowling average of 27.71, six five-wicket hauls and best figures of **6/56.**
Milestones: In the 2021–22 South Africa Test series, Shami became the **5th Indian pacer** to reach 200 Test wickets, achieving the milestone in **9,896** deliveries.
One Day Internationals (ODIs): Shami played 108 One Day Internationals (ODIs) and took 206 wickets, with best figures of 7/57 and claimed a record **24 wickets in 7 innings** in the 2023 Cricket World Cup.
Records: Shami became the fastest to 200 ODI wickets in terms of balls bowled (5,126) in February 2025, surpassing Mitchell Starc (5,240 balls).

- He reached the milestone in 104 matches, becoming the fastest Indian and joint-second globally with Saqlain Mushtaq, behind Starc (102 matches).

IMPORTANT DAYS

International Day of Radiology 2026 – November 8

The International Day of Radiology **(IDoR)**, also known as World Radiography Day, is observed annually on 8 November to recognise radiology's vital contribution to medical diagnosis, treatment and patient care.

- 8 November 2026 marks the **15th** edition of IDoR.

Exam Hints:

- ✓ **What?** IDoR 2026
- ✓ **When?** 8 November 2026
- ✓ **Edition:** 15th IDoR
- ✓ **Established:** 2011, following the European Day of Radiology
- ✓ **First Observed:** 8 November 2012
- ✓ **Founding Organisations:** European Society of Radiology (ESR), Radiological Society of North America (RSNA) and American College of Radiology (ACR).
- ✓ **Significance:** 8 November marks the anniversary of Wilhelm Conrad Röntgen's discovery of X-rays in 1895.

Background:
Establishment: IDoR originated from the European Day of Radiology **(EDoR)**, organised on 10 February 2011 by the European Society of Radiology **(ESR)** to commemorate the death anniversary of Wilhelm Conrad Röntgen.
Formation: The ESR, in collaboration with the Radiological Society of North America (RSNA) and the American College of Radiology (ACR), established IDoR as a global observance, replacing the EDoR.
Official Confirmation: The date **8 November** was confirmed as the annual observance during the RSNA annual meeting held on 28 November 2011 in Chicago, USA.
Significance: 8 November marks the anniversary of German physicist Wilhelm Conrad Röntgen's discovery of X-rays in 1895, a landmark breakthrough in medical imaging.
Wilhelm Conrad Röntgen: German physicist and the first recipient of the Nobel Prize in Physics (1901).
First Observance: The first IDoR was celebrated on 8 November **2012**.

About Radiology:

Definition: Radiology is a medical specialty that uses medical imaging technologies for the diagnosis, monitoring and treatment of diseases and injuries.

Types: Radiology is broadly classified into two categories:

- **Diagnostic Radiology**, which uses imaging techniques such as X-ray, Computed Tomography (CT), Magnetic Resonance Imaging (MRI), Ultrasound and Positron Emission Tomography (PET) for disease detection and diagnosis.
- **Interventional Radiology**, which uses image-guided techniques to perform minimally invasive diagnostic and therapeutic procedures.

2026 Observance:

Focus: The 15th IDoR highlights the transformative impact of **radiology on medicine**, particularly through earlier disease detection, **fewer surgeries** and improved treatment outcomes.

Impact: Approximately **13.4 crore** adverse events occur annually in hospitals across low- and middle-income countries (LMICs), contributing to around **26 lakh deaths**.

- About **1 in 10 patients** is harmed during hospital care in high-income countries, with nearly half of patient harm globally considered preventable.

About European Society of Radiology (ESR):

President – Mathias Prokop
Headquarters – Vienna, Austria
Founded – 2005
