India assumes Vice-Presidency of FATF for the first time; appoints Vivek Agrawal

In June 2025, India was elected as Vice-President of the Financial Task Force (FATF) for the first time. This reflects India's commitment to global standards in combating money laundering and terrorist financing.

Exam Hint:

- **What:** Vice-Presidency of FATF for the first time
- **Who:** Vivek Agrawal
- **Body:** Financial Action Task Force (FATF)
- **Term:** July 2025 to June 2027
- **Significance:** Helps build trust and recognition.

NATIONAL AFFAIRS

1)

Overview of Bharat RE Summit & Expo 2026 → Held in → New Delhi, Delhi from November 2 to 5, 2026 → Under the theme → "Invest. Innovate. Inspire"

→ About BRES & Expo 2026:

- Organised: MNRE with ISA; IREDA and SECI as partners.
- Countries: Australia, Denmark, France, Germany, Netherlands, Norway, Sweden, UK + EU.
- Target: 500 GW additional non-fossil capacity in 10–11 years.
- Achievement: India reached 50% non-fossil capacity in 2025, 5 years ahead of schedule.
- Investment: RE sector attracted Rs 15 lakh crore in 10 years; Rs 6 lakh crore in last 2 years.
- Progress: Non-fossil capacity crossed 300 GW; solar capacity exceeded 170 GW.
- Schemes: 65 lakh+ households – PMSGMBY | 30 lakh farmers – PM-KUSUM.

→ Key Outcomes:

- Investment: Secured nearly USD 400 billion RE commitments.
- MoUs: 10 MoUs signed for RE, technology, research and manufacturing.
- Odisha: Signed 18 MoUs worth Rs 1.17 lakh crore for 11,742 MW capacity.
- Report: IEA released India RE Market Report 2026.
  - Renewables: Lowest solar cost (USD 30–35/MWh), 225+ GW module capacity (India 2nd globally), 64 GW RE auctions and tariffs 20% below coal.
- ISA: Proposed USD 200 million Africa Solar Facility and launched ISA Academy & SHINE.
- Plans: 1 million solar pumps, 500 MW SIDS capacity by 2030, and SUNRISE Network in 35 countries.

BRES – Bharat Renewable Energy Summit
ISA – International Solar Alliance
MNRE – Ministry of New and Renewable Energy
IREDA – Indian Renewable Energy Development Agency
SECI – Solar Energy Corporation of India
IEA – International Energy Agency
RE – Renewable Energy
MoU – Memorandum of Understanding
EU – European Union

MoSPI → Released → The results of Annual Survey of Industries (ASI) April 2024 to March 2025

→ ASI 2024–25 – Key Highlights:

🏭 Top 5 States: Maharashtra, Gujarat, TN, Karnataka & UP → 54%+ manufacturing GVA.

📈 GVA Growth: Corporate sector 9.28%; registered manufacturing 9.59%.

📌 Data: Capital, employment, wages, output, GVA & fuel.

→ Key Findings:

📈 Growth: Factories +3.45%; employment +7.57%; GVA/person +2.25%.

🏗️ Top Sectors: Metals, vehicles, chemicals, pharma & food → 45%+ GVA.

👷 Employment: 1.96 → 2.10 crore; 14 lakh+ added.

🏭 Establishments: 2.60 → 2.67 lakh (+2.64%).

→ Investment-wise:

🏭 Up to Rs 5 crore: 78.69% units | 10.55% capital | 34.32% jobs

💼 Rs 10 crore+: 15.84% units | 87.42% capital | 59.66% jobs

→ Output-wise

📉 Up to Rs 1 crore: 18.34% units; 1.17% capital; 2.17% jobs; 0.08% output.

📈 Above Rs 10 crore: 47.63% units; 95.55% capital; 88.78% jobs; 98.10% output; 97.87% NVA.

NATIONAL AFFAIRS

Overview of Bharat Renewable Energy Summit and Expo 2026 Held in New Delhi

The inaugural edition of Bharat Renewable Energy Summit **(BRES) & Expo 2026** was held under the theme of **"Invest. Innovate. Inspire"** from November 2 to 5, 2026 at Bharat Mandapam in New Delhi, Delhi.

- The summit was inaugurated by Prime Minister **(PM) Narendra Modi** and concluded with a valedictory address delivered by **Vice-President C. P. Radhakrishnan.**
- The summit was held alongside the 9th session of the International Solar Alliance (ISA) assembly and the 4th International Conference on Green Hydrogen (ICGH).

Exam Hints:

- ✓ **What?** BRES & Expo 2026
- ✓ **Edition:** 1st
- ✓ **Venue:** Bharat Mandapam (New Delhi, Delhi)
- ✓ **Theme:** "Invest Innovate Inspire"
- ✓ **Inaugurated by:** PM Narendra Modi
- ✓ **Total Investments Secured:** USD 400 billion across RE sector
- ✓ **Agreements Signed:** 10 MoUs and framework agreements
- ✓ **Reports and Platforms Released:** 37
- ✓ **Major MoU:** SECI–Power2X for green methanol supply
- ✓ **Key Events:** 9th ISA Assembly and 4th ICGH.

About BRES & Expo 2026:

Participants: The summit attracted over 75,000 visitors from 135 countries, with 400+ exhibitors, 620+ speakers and 113 sessions. It also witnessed participation from 32+ international ministers, 8 partner countries and the European Union (EU), along with 14 partner States and Union Territories (UTs), 6 Chief Ministers (CMs) and 10 State Energy Ministers.

Organised by: The four-day summit was organised by the Ministry of New and Renewable Energy (**MNRE)** in partnership with the ISA, with the Indian Renewable Energy Development Agency (IREDA) and Solar Energy Corporation of India (SECI) serving as organising partners.

Country Partners: The summit featured 8 partner countries: Australia, Denmark, France, Germany, the Netherlands, Norway, Sweden and the United Kingdom (UK), along with the European Union (EU) as a partner.

Key Address: PM Narendra Modi announced plans to add another **500 gigawatts (GW) of non-fossil fuel** capacity over the next 10–11 years, highlighting India's achievement of 50% non-fossil fuel installed power capacity in 2025, five years ahead of schedule.

- While addressing the summit, Union Minister Pralhad Joshi, MNRE, highlighted that over the last 10 years, India's Renewable Energy sector has attracted over **Rs 15 lakh crore in investment,** of which nearly Rs 6 lakh crore had flowed into the sector in just the last two years.

Key Address by VP: The Vice-President of India, C. P. Radhakrishnan addressed the valedictory session of the summit, where he highlighted India's achievements in the Renewable Energy (RE) sector, its commitment to sustainable development and the transformative role of clean energy in empowering households, farmers and communities across the country.

- **Installed Electricity Capacity from Non-fossil Sources:** India's non-fossil fuel-based installed electricity capacity had breached 300 GigaWatt (GW). In addition, the country reached 50% share

of the installed electricity capacity from non-fossil sources in 2025, surpassing its original target of 5 years.

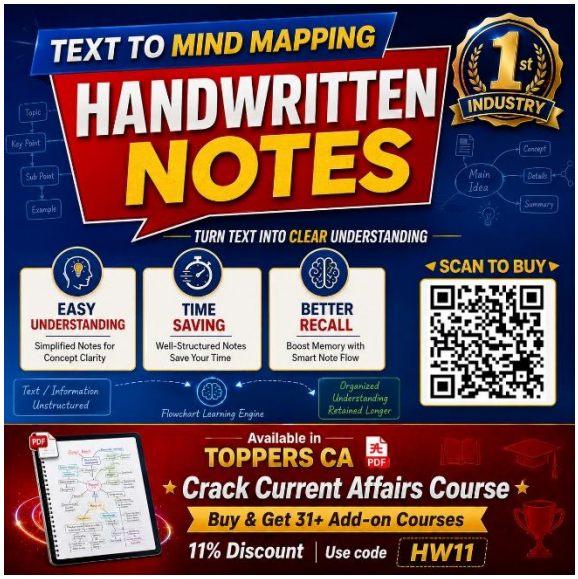

- **Surge in Solar Capacity:** Further, India's solar capacity had increased from less than 3 GW to over 170 GW over the last years.
- **Grassroots-level Engagement:** Over 65 lakh households had joined the solar movement under PM Surya Ghar: Muft Bijli Yojana (PMSGMBY); and nearly 30 lakh farmers had benefited under Pradhan Mantri Kisan Urja Suraksha Evam Utthaan Mahabhiyan (PM-KUSUM).

Key Outcomes:

Total Investment Commitments: At the summit, India secured the investment commitments worth nearly USD 400 billion across the RE sector, which is almost double the **USD 220 billion** investment estimated by the Government of India (GoI) to fund the country's green energy transition by 2030.

Total MoUs: The summit witnessed the signing of **10** Memoranda of Understanding (MoUs) and framework agreements covering technology, research, manufacturing and renewable energy development.

- Among them, the Solar Energy Corporation of India **(SECI)** signed an MoU with Netherlands-based **Power2X to** facilitate the international supply of green molecules, including a proposed initial supply of 3 lakh tonnes of green methanol annually.

MoUs by Odisha Government: At the BRES & Expo 2026, the Government of Odisha signed 18 Memorandums of Understanding (MoUs) worth **Rs 1.17 lakh crore** for clean and RE projects, with a proposed capacity addition of 11, 742 Mega-Watt (MW).

- The state government targets to become one of the top 5 power-exporting states in India and source 74% of its installed power capacity from non-fossil sources by 2047.

Release of Report: The summit witnessed the launch of International Energy Agency's (IEA) report titled **"India RE Market Report 2026: Analysis and Forecast to 2030".** Some of the key findings of the report are:

- **Utility-scale Solar Generation Cost:** India's utility-scale solar generation cost reached USD 30–35 per Mega-Watt-hour (MWh) (Rs 2,840-Rs 3,313), the lowest in the world that had helped India to save over USD 100 billion in fossil fuel imports, equivalent to approximately Rs 9.46 lakh crore.
- **Solar Module Manufacturing Capacity:** India's solar module manufacturing capacity surpassed 225 Giga-Watt (GW) in September 2026, which makes India the world's second-largest manufacturer of solar modules.
- **Auction of RE projects:** So far, India auctioned 15 GW of hybrid Renewable Energy (RE) projects, bringing the total auctioned capacity to 64 GW.
- **Average Tariffs:** between 2023 and 2025, the average tariffs stood at around USD 45 per MWh (Rs 4,260), which was 20% below the average cost of electricity from coal-fired power plants.

ISA Initiatives: The ISA proposed a **USD 200 million Africa Solar Facility** and launched the **ISA Academy** and Global Capability Centre–**SHINE** (Strategic Hub for Innovation and Execution or Strategic Network for Innovation and Execution) to promote solar financing, training and capacity building.

- It also plans to deploy 1 million solar pumps globally, facilitate 500 megawatts (MW) of solar capacity across Small Island Developing States (SIDS) by 2030, and expand the SUNRISE Network to 35 countries.

About Ministry of New & Renewable Energy (MNRE):

Union Minister- Pralhad Joshi (Constituency- Dharwad, Karnataka)
Minister of State **(MoS)-** Shripad Yesso Naik (Rajya Sabha- North Goa, Goa)

MoSPI's ASI 2024–25: 5 States, including TN, Karnataka, Contributed Over 54% of India's Total manufacturing GVA in FY25

In November 2026, the Ministry of Statistics and Programme Implementation **(MoSPI)** released the results of Annual Survey of Industries **(ASI)** for the reference period April 2024 to March 2025 i.e. Financial Year 2024-25 **(FY25),** including **Volume I** and Summary Results of Factory Sector along with unit level data .

- The data showed that 5 states namely, **Maharashtra, Gujarat,** Tamil Nadu **(TN), Karnataka,** and Uttar Pradesh **(UP)** , contributed **over 54%** of India's total manufacturing Gross Value Added **(GVA)** in FY25.
- The manufacturing corporate sector registered **9.28%** growth in GVA, while India's overall registered manufacturing GVA grew by 9.59% during FY25.

Exam Hints:

- ✓ **What?** Release of ASI results for FY25
- ✓ **Released by:** MoSPI
- ✓ **Reference Period:** April 2024–March 2025
- ✓ **Survey Period:** October 2025–June 2026
- ✓ **Combined GVA Share:** Over 54%
- ✓ **Manufacturing GVA Growth**: 9.59%
- ✓ **Top 5 States:** Maharashtra, Gujarat, TN, Karnataka and UP (over 54% of India's manufacturing GVA)
- ✓ **Top 5 Sectors (Employment):** Food products; textiles; basic metals; motor vehicles, and wearing apparel (more than 41% of total manufacturing employment).

About ASI for FY25:

Source: The MoSPI collected the data for ASI from the selected factories under the Collection of Statistics Act 2008 as amended in 2017 and Rules framed there under in 2011, through a dedicated web portal using an establishment-based approach.

Data: The latest survey presented data relating to capital, employment, emoluments and several other economic parameters relevant to the industrial sector like: number of factories; fixed/working capital; total input; total output; depreciation; GVA; employment details and fuels consumption details, among others.

Coverage: The latest survey has covered: registered factories, bidi and cigar establishments, certain electricity undertakings and eligible establishments with **minimum 100 employees** included in state business registers.

Key Findings:

Manufacturing GVA: The manufacturing corporate sector (which accounted for over 89% of total GVA) registered a growth rate of **9.28%** in terms of GVA in FY25, while the number of factories in operation and total employment increased by **3.45%** and **7.57%**, respectively.

- The registered manufacturing sector witnessed growth in capital investment, industrial output, GVA, employment and wages compared to the previous year. Additionally, GVA per person engaged increased by 2.25%, while the gross value of plant and machinery rose by 7.25%.

- Basic metals, motor vehicles, chemicals and chemical products, pharmaceuticals and food products collectively contributed over 45% of total manufacturing GVA.
- The number of persons engaged in registered manufacturing increased by 7.19%, from 1.96 crore in FY24 to 2.10 crore in FY25, adding over 14 lakh persons.

Top 5 Employment Generation Sectors: As per the survey, Together, top 5 industries such as: food products; textiles; basic metals; motor vehicles, and wearing apparel, accounted for over **41%** of the total manufacturing employment in the country during FY25.

Manufacturing Establishments: The survey revealed that the number of registered manufacturing establishments increased by 2.64% (from 2.60 lakh in FY24 to 2.67 lakh in FY25).

- **Top 3 States: TN** with 41,221 establishments, recorded the highest number of establishments in FY25; followed by Gujarat (33,084); and Maharashtra (27,379).

Investment-wise Contribution: The data further showed that factories with an investment in plant and machinery **up to 5 crore** accounted for **78.69%** of all operating establishments in FY25. These establishments held 10.55% share in total fixed capital; engaged 34.32% of total persons; 19.24% to total output and 17.61% to net value added.

- **Factories (Rs 10 crore and above investment)**: Accounted for 15.84% operating establishment during the same period. These establishments held 87.42% share in total fixed capital; engaged 59.66% of total persons; and generated 76.82% of total output and 78.07% to net value added.

Output-based Contribution: As per the ASI data for FY25, the operating units producing gross output up to Rs 1 crore represented 18.34% of factories, accounting for 1.17% of fixed capital; 2.17% of workforce; paying 0.57% of emoluments; and generating 0.08% of total output.

- In contrast, factories with output exceeding Rs 10 crore represented 47.63% of operating units, holding 95.55% of fixed capital; 88.78% of employment; and paid 94.57% of emoluments, while contributing 98.10% to total output and 97.87% to net value added.

Union Minister Dr. Virendra Kumar Launches 'Vayo Samman Rashtriya Abhiyan' to Strengthen Intergenerational Bonding

In November 2026, Union Minister **Dr. Virendra Kumar,** Ministry of Social Justice and Empowerment **(MoSJE)** launched the **'Vayo Samman Rashtriya Abhiyan'**, a National Intergenerational Bonding Campaign, under the Atal Vayo Abhyuday Yojana **(AVYAY)** in New Delhi, Delhi.

- The campaign aims to foster intergenerational solidarity while ensuring the dignity, care and social inclusion of senior citizens.

Exam Hints:

- ✓ **What?** Launch of Vayo Samman Rashtriya Abhiyan.
- ✓ **Nature:** National Intergenerational Bonding Campaign.
- ✓ **Launched by:** Dr. Virendra Kumar, Union Minister for Social Justice and Empowerment.
- ✓ **Location:** New Delhi.
- ✓ **Scheme:** Under Atal Vayo Abhyuday Yojana (AVYAY).
- ✓ **Core Framework:** 5C Model: Connect, Converse, Co-create, Contribute and Continue.
- ✓ **Volunteer Initiative:** Vayo SAATHI (Support, Awareness, Assistance, Training, Health and Inclusion).

Highlights of Vayo Samman Rashtriya Abhiyan:

Framework: The campaign follows the **5C Model – Connect, Converse, Co-create, Contribute and Continue** to strengthen intergenerational bonding through interaction, knowledge-sharing and sustained community participation.

Themes: It covers **12 thematic areas**, including '30 Minutes Together', 'Teach Me – I'll Teach You', 'My Story, My India', 'Digital Dada-Dadi / Digital Saathi', 'Generation Health & Wellness' and 'Silver Skills – Seniors as Mentors', focusing on companionship, digital literacy, oral history, health awareness and mentorship.

Vayo SAATHI: Union Minister Dr. Virendra Kumar released the **campaign handbook and** launched **Vayo SAATHI** (Support, Awareness, Assistance, Training, Health and Inclusion), a digitally enabled **volunteer initiative** for citizens aged 18 years and above to support senior citizens.

- Volunteers can register through the Senior Citizens Welfare (SCW) SAMAVESH Portal or JEEVAN (Joint Elderly Empowerment & Virtual Assistance Network) Application (App) and receive a Vayo SAATHI Certificate.

Partnerships: Two MoUs were signed with Shri Ram Chandra Mission (SRCM) and Adhyatma Vigyan Satsang Kendra (AVSK), Jodhpur, Rajasthan to promote the holistic well-being of senior citizens through meditation, yoga, wellness programmes, community-based activities, intergenerational engagement, pledge drives and walkathons.

About Ministry of Social Justice and Empowerment (MoSJE):

Union Minister – Dr. Virendra Kumar (Constituency – Tikamgarh, Madhya Pradesh (MP))
Minister of State **(MoS)** – Ram Das Athawale (Rajya Sabha – Maharashtra);
Banwari Lal (B.L.) Verma (Rajya Sabha – Uttar Pradesh (UP)).

Union Minister Nirmala Sitharaman Released Rs. 250 Commemorative Coin Honouring Muthuswami Dikshitar

In November 2026, Union Minister **Nirmala Sitharaman**, Ministry of Finance (**MoF**), released a **Rs 250 commemorative coin** to mark the 250th birth anniversary of Carnatic music maestro **Muthuswami Dikshitar** at Swatantrata Bhavan, Banaras Hindu University (**BHU**), Varanasi, Uttar Pradesh (**UP**).

- The coin was unveiled on 3 November 2026, at an event organised by the Centre of Excellence for Indian Knowledge Systems, Indian Institute of Technology (BHU), to honour Dikshitar's contributions to Indian classical music.

Exam Hints:

- ✓ **What?** Release of Commemorative Coin
- ✓ **Released by:** Union Minister Nirmala Sitharaman, MoF
- ✓ **Honouring:** 250th Birth Anniversary of Muthuswami Dikshitar
- ✓ **Denomination**: Rs 250
- ✓ **Weight**: 35 Grams
- ✓ **Diameter**: 44 Millimetres
- ✓ **Venue:** Swatantrata Bhavan, IIT-BHU, Varanasi, UP.
- ✓ **Support:** BSE under its CSR initiative.
- ✓ **Book Released:** Amar Guruguham Potruvam.

Highlights of the Commemorative Coin:

Coin Issuance: The 35-gram commemorative coin, with a diameter of 44 mm, was minted at the India Government Mint, Mumbai, under the authority of the Central Government. It contains 50% silver (Ag), 40% copper (Cu), 5% nickel (Ni) and 5% zinc (Zn).

Price and Availability: The collector's coin was listed for sale at Rs 6,985, with 238 pieces shown in stock on 3 November 2026. It is intended as a commemorative collector's item rather than for general cash transactions.

Support: The event received Corporate Social Responsibility (CSR) support from the Bombay Stock Exchange **(BSE),** with its Managing Director (MD) Sundararaman Ramamurthy associated with the initiative.

Book: The book Amar Guruguham Potruvam, highlighting the life and musical legacy of Muthuswami Dikshitar, was released during the commemorative event at IIT-BHU.
Legacy: Muthuswami Dikshitar, one of the Trinity of Carnatic Music alongside Tyagaraja and Syama Sastri, composed around 450–500 Sanskrit compositions dedicated largely to Hindu deities and temples, blending devotion and philosophy; his works remain an integral part of the Carnatic music repertoire.

NITI Aayog and GIZ GmbH Sign Implementation Agreement under NDC-TIA II for Road Freight Decarbonisation

On 3 November 2026, **NITI Aayog** (National Institution for Transforming India) and Germany's Deutsche Gesellschaft für Internationale Zusammenarbeit **(GIZ) GmbH** signed an **Implementation Agreement** under the Nationally Determined Contribution–Transport Initiative for Asia Phase II **(NDC-TIA II)** to accelerate the decarbonisation of India's road freight sector.

Exam Hints:

- ✓ **What?** Implementation Agreement for road freight decarbonisation
- ✓ **Entities:** NITI Aayog and GIZ GmbH (Germany)
- ✓ **Initiative:** NDC-TIA II
- ✓ **Supported By:** Germany's International Climate Initiative (IKI)
- ✓ **Implementing Partners:** WRI India, ICCT India and Agora Energiewende
- ✓ **Objective:** Decarbonisation of India's road freight sector
- ✓ **Key Focus: E**lectrification of medium- and heavy-duty vehicles.

About NDC-TIA II:

Phase I: Launched in August 2020, NDC-TIA covered India, China and Vietnam, with support from Germany's International Climate Initiative (IKI).

- In India, NITI Aayog focused on transport decarbonisation, emission reduction and electric mobility.

Focus: The NDC-TIA II is a regional initiative supported by the German Government's International Climate Initiative **(IKI)**, aimed at accelerating the decarbonisation of the transport sector, with a particular focus on road freight.
Implementing Partners: The NDC-TIA II initiative is implemented in collaboration with World Resources Institute **(WRI)** India, International Council on Clean Transportation **(ICCT)** India, and Agora Energiewende.
Key Focus Areas: The agreement promotes EV charging infrastructure, innovative financing and supportive regulations to accelerate freight decarbonisation and support India's Nationally Determined Contributions (NDCs) under the Paris Agreement, 2015.

CSIR–DAKSHIN Sign LoA to Strengthen Global South Cooperation

On **3 November 2026**, the Council of Scientific and Industrial Research **(CSIR)** and Development and Knowledge Sharing Initiative **(DAKSHIN)** – Global South Centre of Excellence (CoE), hosted by the Research and Information System for Developing Countries **(RIS)**, signed a Letter of Association **(LoA)** to promote capacity building, research collaboration and technology partnerships among countries of the Global South.

- The LoA was signed by **Dr. Rama Swami Bansal**, Head of the International Science and Technology Affairs Directorate (ISTAD), CSIR, and Professor **Sachin Kumar Sharma**, Director General (DG), RIS.

Exam Hints:

- ✓ **What?** LoA signed
- ✓ **Organisations Involved:** CSIR and DAKSHIN–Global South CoE
- ✓ **Signatories:** Dr. Rama Swami Bansal (CSIR) and Professor Sachin Kumar Sharma (RIS).

- ✓ **Host Institution:** RIS
- ✓ **Focus:** Technology transfer, capacity building and South-South cooperation.
- ✓ **Priority Sectors:** Healthcare, infrastructure, agriculture, blue economy and digital economy.

About LoA:

Objectives: To promote joint research, scale up development initiatives, strengthen skills and capacity building, and enhance knowledge sharing among Global South countries.

Areas of Collaboration: Transferring CSIR's affordable, adaptable and ready-to-deploy technologies across **healthcare, infrastructure, agriculture, blue economy and digital economy sectors.**

DAKSHIN's Vision: Promoting knowledge sharing and mutual learning among Global South countries through sustainable, affordable and locally relevant solutions to common developmental challenges and the achievement of Sustainable Development Goals (SDGs).

CSIR's Contribution: Leveraging its scientific and technological expertise and portfolio of ready-to-deploy, affordable and adaptable technologies for wider dissemination, industry-led implementation and entrepreneurship across partner countries.

Ministry of Culture Sign MoU with Google Arts & Culture to Digitise India's Cultural Heritage

On 5 November 2026, the **Ministry of Culture** signed a Memorandum of Understanding **(MoU)** with **Google Arts & Culture** to digitally preserve, document and showcase India's cultural heritage using advanced digital technologies.

- The MoU was signed at a virtual ceremony in the presence of **Vivek Aggarwal**, Secretary, Ministry of Culture, and **Amit Sood**, Vice President (VP) and Founder, Google Arts & Culture.

Exam Hints:

- ✓ **What?** MoU signed
- ✓ **Entities:** Ministry of Culture and Google Arts & Culture
- ✓ **Dignitaries:** Vivek Aggarwal, Secretary, Ministry of Culture; and Amit Sood, VP and Founder, Google Arts & Culture
- ✓ **Objective:** Digitisation, preservation and promotion of India's cultural heritage through digital technologies
- ✓ **Manuscript Initiative:** Gyan Bharatam Mission
- ✓ **Key Institutions:** ASI, National Museum and NGMA
- ✓ **Major Project:** Yuge Yugeen Bharat Museum.

Key Areas of MoU:

Objective: To use advanced digital technologies to preserve India's historical monuments, archaeological sites, museum collections, manuscripts and traditional art forms.

Heritage Digitisation: The collaboration will cover collections associated with the Archaeological Survey of India **(ASI),** National Museum and National Gallery of Modern Art **(NGMA).**

Gyan Bharatam: The initiative will support the digitisation and preservation of ancient manuscripts under the Gyan Bharatam initiative.

Yuge Yugeen Bharat Museum: The upcoming museum, located in the North and South Blocks, New Delhi, will be a major focus of the partnership, with digital documentation of its buildings and artefacts.

MoMSME Signs MoU with TRIFED to Expand Market Access for Tribal Artisans under PM Vishwakarma Scheme

In November 2026, Ministry of Micro, Small and Medium Enterprises **(MoMSME**) signed a Memorandum of Understanding (**MoU**) with the Tribal Cooperative Marketing Development Federation of India (**TRIFED**), under the Ministry of Tribal Affairs (MoTA), to enhance market access for eligible tribal artisans registered under the Pradhan Mantri(**PM) Vishwakarma Scheme.**

- The MoU was signed in the presence of Dr. Rajneesh, Additional Secretary and Development Commissioner, MoMSME and M. Raja Murugan, Managing Director (MD), TRIFED, along with other senior officials.

Exam Hints:

- ✓ **What?** MoU Signed
- ✓ **Entities:** MoMSME and TRIFED.
- ✓ **Signatories:** Dr. Rajneesh, Additional Secretary and Development Commissioner, Ministry of MSME & M. Raja Murugan, MD, TRIFED
- ✓ **Purpose:** Expand market access for eligible tribal artisans registered under PM Vishwakarma.
- ✓ **Marketplace:** Tribes India retail network and online marketplace (tribesindia.com).
- ✓ **Other MoUs:** MoMSME with Samsung India Electronics Private Limited for 3 years

About MoMSME and TRIFED MoU:

Roles: MoMSME will identify and refer eligible tribal artisans, while TRIFED will facilitate their onboarding, capacity building and end-to-end product readiness, including aggregation, quality assurance, packaging, imaging and cataloguing.

Coverage: The collaboration will cover traditional crafts such as carpentry, metalworking, sculpting, goldsmithing, pottery, footwear, basketry, coir weaving, toy making and garland making.

Market Access: Provide dedicated display and sales spaces across Tribes India retail outlets and its online marketplace (tribesindia.com), including a proposed "Tribes India–PM Vishwakarma Collection", subject to sellers' consent and TRIFED policies.

Other MoUs: MoMSME also signed a three-year MoU with **Samsung India** Electronics Private Limited to provide National Skills Qualifications Framework (NSQF)-compliant, industry-oriented training in electronics, mobile phones and home appliances across 15 MSME Technology Centres.

About PM Vishwakarma Scheme:

Launch: The PM Vishwakarma Scheme was launched on **17 September 2023** by Prime Minister (PM) Narendra Modi and is implemented by the MoMSME.

Outlay and Duration: The scheme has a total financial outlay of **Rs 13,000 crore** for five years, from Financial Year 2023–24 (FY24) to FY28.

Coverage: The scheme supports artisans and craftspeople engaged in 18 traditional trades.

Three Pillars: The scheme is based on Samman (Recognition), Samarthya (Skill Empowerment) and Samriddhi (Economic Prosperity).

About Ministry of Micro, Small and Medium Enterprises (MoMSME):

Union Minister – Jitan Ram Manjhi (Lok Sabha – Gaya, Bihar)

Minister of State **(MoS)** – Shobha Karandlaje (Lok Sabha – Bangalore North, Karna

MSDE Recognises MANAGE Hyderabad Recognised as CoE-Skills in Agriculture Sector

In November 2026, the Ministry of Skill Development and Entrepreneurship **(MSDE)** recognised the National Institute of Agricultural Extension Management **(MANAGE), Hyderabad(Telangana)** an autonomous organisation working under the Ministry of Agriculture & Farmers Welfare (MoAFW), as a Centre of Excellence-Skills **(CoE-Skills)** in the agriculture Sector.

- The Certificate of Recognition (CoR) was formally presented on 2 November 2026 by Debashree Mukherjee, Secretary, MSDE, at Kaushal Bhawan, New Delhi, Delhi.

Exam Hints:

- ✓ **What?** MANAGE Hyderabad recognises as CoE-Skills in agriculture sector
- ✓ **Recognised by:** MSDE
- ✓ **CoR Presented by:** Debashree Mukherjee, Secretary of MSDE
- ✓ **Recognition Validity:** 3 Years (9 October 2026 to 8 October 2029)

Copyright 2014-2026 @ AffairsCloud.com

- ✓ **Where?** Kaushal Bhawan (New Delhi, Delhi)
- ✓ **Term:** 3 years

Key Details:

Recognition: MANAGE was among 19 institutions recognised as CoE-Skills under the Green Channel mechanism, aimed at strengthening vocational training and industry-relevant skill development.
Validity: The recognition will remain valid for a period of 3 years i.e. from October 09, 2026 to October 08, 2029.
Leadership: Empanelment, a key component of this initiative, was spearheaded by Sanjay Kumar Agarwal, Director General (DG) of MANAGE and Joint Secretary (Ext) by a team which comprises Dr K C Gummagolmath, Dr Veenita Kumari and Dr Shalendra.
Significance: The recognition will help the institute to expand its engagement in the skilling sector, promoting agricultural growth and rural entrepreneurship.
About MANAGE-Hyderabad: It was established in 1987 to strengthen the agricultural extension system in the country. It facilitates training, consultancy, research and policy support in agricultural extension, with headquarters in Hyderabad, Telangana.

INTERNATIONAL AFFAIRS

UNESCO Inscribes Rajatarangini, Mahabharata and Arthashastra in Memory of the World Asia-Pacific Register

In November 2026, United Nations Educational, Scientific and Cultural Organization **(UNESCO)** inscribed three major Indian works **Kalhana's Rajatarangini, the Mahabharata and Kautilya's Arthashastra** in its Memory of the World Asia-Pacific **(MOWCAP)** Regional Register**.**

- The decision was taken at the 11th MOWCAP session in Jakarta, Indonesia, taking **India's total inscriptions** in the Asia-Pacific Regional Register increased to **six**.

Exam Hints:

- ✓ **What?** Three Indian literary and intellectual works added to UNESCO's Memory of the World Asia-Pacific Regional Register
- ✓ **Works:** Rajatarangini, Mahabharata and Arthashastra
- ✓ **When?** 11th session of MOWCAP
- ✓ **Where?** Jakarta, Indonesia
- ✓ **India's Total:** Six inscriptions in the regional register
- ✓ **Nomination:** IGNCA prepared the nomination dossiers for all three works.

About UNESCO Recognition for Indian Classics:

Recognition: Dr. Sachchidanand Joshi, Member Secretary of the Indira Gandhi National Centre for the Arts (IGNCA), announced the recognition, while IGNCA prepared the nomination dossiers for all three manuscripts.
Management: Regional archive managed by MOWCAP to safeguard and promote the region's documentary heritage.

Rajatarangini:

Overview: Written in Sanskrit by 12th-century Kashmiri historian Kalhana, it chronicles Kashmir's rulers, political developments, social life and cultural history.
Significance: An early work of Indian historiography based on historical documentation, traditions and critical inquiry.
Location: Oriental Research Library, Sri Pratap Singh Library Complex, Srinagar, Jammu and Kashmir (J&K).
Inscription: The Manuscript of Rajatarangini by Kalhana: A Twelfth-century Chronicle of Kashmir.

Copyright 2014-2026 @ AffairsCloud.com

Mahabharata:

Overview: Traditionally attributed to Sage Vyasa, the Mahabharata explores Dharma, duty, justice, power, human relationships and ethical values, including the Bhagavad Gita.
Significance: One of the world's longest epics, containing extensive philosophical, ethical and social reflections.
Manuscript: A 400-year-old birch-bark (Burjapatra) manuscript written in Sharada script.
Location: Bhandarkar Oriental Research Institute, Pune, Maharashtra.
Inscription: The Birch-bark (Burjapatra) Manuscript of Mahabharata, A Perennial Epic of South Asia.

Arthashastra:

Overview: Written by Kautilya, an ancient Indian strategist and scholar, it covers governance, statecraft, economic policy, diplomacy, administration and military strategy.
Significance: Reflects ancient India's political, economic and administrative thought.
Manuscript: A 16th-century palm-leaf manuscript written in Grantha script.
Location: Oriental Research Institute, Mysuru, Karnataka.
Inscription: Kautilya's Arthashastra, Ancient Palm-leaf Manuscript on Governance and Statecraft.
Previous Recognition: India received three UNESCO Memory of the World Asia-Pacific Regional Register inscriptions in 2024.
Ramcharitmanas: Tulsidas' literary work preserved through illustrated manuscripts featuring miniature paintings.
Panchatantra: Rare 15th-century manuscript containing animal fables and moral stories.
Sahṛdayāloka-Locana: Manuscript relating to Indian poetics.

About UNESCO Memory of the World Programme:

Launch: UNESCO launched the Memory of the World (MoW) Programme in 1992 to prevent "collective amnesia" by preserving documentary heritage, including archives, manuscripts, library collections and oral histories, for future generations.
Indian Initiative: The Gyan Bharatam Mission aims to identify, conserve, digitise and promote India's manuscript heritage for future generations.

About Memory of the World Committee for Asia and the Pacific (MOWCAP):

Overview: It is the regional committee and forum for United Nations Educational, Scientific and Cultural Organization (UNESCO)'s global Memory of the World (MOW) Programme
Chairperson – Mr. Kwibae Kim
Headquarters – Andong-si, Republic of Korea
Established – 1998

Quad Naval Exercise MALABAR 2026 Begins in Japan, INS Sahyadri Participates

On November 5, 2026, the **30th edition** of the multilateral Exercise Malabar (2026) commenced in the waters south of Japan's Kanto region, hosted by **Japan**, with the participation of the navies of **India**, the United States of America **(USA)**, **Japan** and **Australia**.

- The four-nation Quad naval exercise will be conducted until November 12, 2026, to strengthen maritime cooperation, operational coordination and interoperability in support of a Free and Open Indo-Pacific.

Exam Hints:

- ✓ **What?** 30th-year edition of multilateralQuad Naval Exercise Malabar.
- ✓ **When?** November 5–12, 2026.
- ✓ **Host Nation:** Japan.
- ✓ **Location**: Waters south of Japan's Kanto region.
- ✓ **Participants:** India, USA, Japan and Australia (Quad Nations).

Copyright 2014-2026 @ AffairsCloud.com

- ✓ **Indian Participant:** INS Sahyadri (Shivalik-class Guided Missile Stealth Frigate).
- ✓ **Phases**: Harbour Phase and Sea Phase.
- ✓ **Previous Edition:** 2025 edition was conducted at Guam, Northern Pacific Ocean.

Background:

Origin: The MALABAR Exercise was initiated in 1992 as a bilateral naval exercise between India and the USA to enhance interoperability and strengthen maritime cooperation between the two navies.
Expansion: Japan became a permanent participant in 2015, followed by Australia in 2020, transforming MALABAR into a four-nation naval exercise involving the Quad countries.
Previous Edition: The **29th edition** of Exercise Malabar was conducted from November 10–18, 2025, at Guam in the Northern Pacific Ocean, hosted by the USA.

About Exercise MALABAR 2026:

Scope: The exercise involves advanced multi-domain naval operations across surface, subsurface, air and information warfare domains to strengthen operational coordination, interoperability and professional cooperation among the participating navies.
Participating Naval Assets: India is represented by Indian Naval Ship (INS) Sahyadri, Japan by JS Ise, JS Mogami, a submarine and P-1 maritime patrol aircraft, the United States of America (USA) by an amphibious transport dock and P-8A maritime patrol aircraft, and Australia by HMAS Stuart and Royal Australian Air Force (RAAF) P-8A aircraft.
Phases: The exercise comprises two phases: the Harbour Phase, followed by the Sea Phase:

- **Harbour Phase:** Focuses on professional interactions, knowledge-sharing and collaborative operational planning among participating naval contingents.
- **Sea Phase:** INS Sahyadri will operate alongside naval assets from Japan, the USA and Australia to enhance joint operational capabilities and maritime coordination.

Significance: The exercise marks the **seventh edition** involving all four participating countries and supports regional maritime security, mutual trust and stability in the Indo-Pacific region.

Indian Participation:

Representation: The Indian Navy's **(IN)** indigenous **Shivalik**-class Guided Missile Stealth Frigate, INS Sahyadri (F49), represents India in Exercise Malabar 2026.
Construction & Commissioning: The warship was built by Mazagon Dock Shipbuilders Limited (MDL), Mumbai, Maharashtra and commissioned on July 21, 2012, under the Eastern Naval Command (ENC), headquartered at Visakhapatnam, Andhra Pradesh (AP).

About Indian Navy (IN):

Chief of Naval Staff **(CNS)** – Admiral Krishna Swaminathan
Headquarters – New Delhi, Delhi.
Established – 1950.

India and Kazakhstan Sign Extradition Treaty to Strengthen Cooperation Against International Crime

In November 2026, **India** and **Kazakhstan** signed an **Extradition Treaty** to establish a legal framework for extraditing individuals wanted by either country's law enforcement authorities and strengthen bilateral cooperation in combating international crime and terrorism.

- The treaty was signed by **General Berik Assylov**, Kazakhstan's Prosecutor and **Y.K. Sailas Thangal**, India's Ambassador to Kazakhstan in Kazakhstan.

Exam Hints:

- ✓ **What?** Extradition Treaty Signed
- ✓ **Countries:** India and Kazakhstan

Copyright 2014-2026 @ AffairsCloud.com

- ✓ **Signatories:** General Berik Assylov, Kazakhstan's Prosecutor and Y.K. Sailas Thangal, India's Ambassador to Kazakhstan.
- ✓ **Objective:** Strengthen cooperation against international crime and terrorism.
- ✓ **Previous Bilateral Treaty:** Signed on 24 January 2009.

About India–Kazakhstan Extradition Treaty:

Approval: On 26 August 2026, the Union Cabinet, chaired by Prime Minister (**PM**) **Narendra Modi**, approved the signing and ratification of extradition treaties, including the treaty with Kazakhstan.

- India and Kazakhstan had earlier signed a bilateral Extradition Treaty on 24 January 2009, which was ratified in February 2009.

Framework: The treaty complements two existing bilateral agreements: the Agreement on Mutual Legal Assistance in Criminal Matters and the Agreement on the Transfer of Sentenced Persons.

Treaty Models: Extradition treaties may follow a specified-offences model, listing extraditable crimes, or a dual-criminality model, requiring the offence to be punishable under the laws of both countries.

Significance: The treaty strengthens the legal framework for criminal justice cooperation, helps combat international crime and reinforces bilateral relations between India and Kazakhstan.

BANKING & FINANCE

PFRDA Revises Naming of NPS scheme and Display of Pension Fund Options on PoP Platforms

In November 2026, the Pension Fund Regulatory and Development Authority (**PFRDA**) introduced changes regarding the naming of National Pension System(**NPS**) schemes and the display of pension fund options on Point of Presence (**PoP**) platforms.

- The revised rules will come into effect from **1 December 2026.**

Exam Hints:

- ✓ **What?** Revision of NPS scheme naming and pension fund display rules
- ✓ **Issued By:** PFRDA
- ✓ **Effective from:** 1 December 2026
- ✓ **Category Disclosure:** Below the scheme name in smaller font
- ✓ **New Naming Format:** Pension Fund Abbreviation + NPS + Unique Scheme Name
- ✓ **Category Codes Removed:** A to E
- ✓ **Tier II Schemes:** Must include the suffix 'Tier II'
- ✓ **PoP platforms:** Display all pension funds
- ✓ **Placing Option:** May place particular pension fund at top/pre-select.

Highlights of the Revised Guidelines:

Objective: The amendment aims to standardise scheme names, improve transparency and make it easier for subscribers to compare and select pension fund schemes.

Category Disclosure: The category must be displayed immediately below or alongside the scheme name in a **smaller font**.

- This requirement applies to NPS Scheme Essentials Document and the scheme brochure, advertisements, brochures, public-facing literature and other media communications.

Scheme Naming Rules:

Old Format: Under the Multiple Scheme Framework (**MSF**), the earlier requirement to include category codes (**A to E**) in scheme names has been removed.

New Format: The revising naming format will consist of following three elements:

- Abbreviation of the Pension Fund (**PF**)
- Common Identifier NPS

- A unique scheme name assigned by the PF

Tier II: Tier II schemes must carry the suffix '**Tier II**' at the end of their names, while Tier I schemes do not require a separate tier designation.

Multiple Schemes: If a pension fund offers multiple schemes under the same category, each scheme must have a distinct name.

PoP Display Rules:

PoP Platforms: These platforms operating their own websites or applications must display schemes offered by all pension funds within the category selected by the subscriber.

Placing Option: Platforms may place the schemes of a particular pension fund at the top or pre-select a scheme.

- However, they cannot hide or exclude schemes offered by other pension funds within the selected category.

Exception: The requirement to display schemes from all pension funds does not apply to following case:

- When a subscriber accesses a pension fund's own website or application and the fund handles the onboarding process, the platform may display only that pension fund's schemes.

Key Term:

PoP Platform: PoPs are authorised intermediaries registered with the **PFRDA** that act as a link between NPS subscribers and the NPS system. They provide services such as NPS registration, account opening, contribution, withdrawals and other subscriber-related services.

Tier I and II Accounts: NPS has two types of accounts:

- **Tier I Account:** It is the primary retirement savings account under the NPS, with restricted withdrawals until retirement. Subscribers can continue investing up to 70 years of age, with a minimum initial contribution of Rs 500 and an annual contribution of Rs 1,000.
- **Tier II Account:** This is an add-on account which a subscriber can open only if he has an NPS Tier I account. The minimum amount required to open Tier II is **Rs 1000** and contribution to the Tier II account must be in multiples of **Rs 250.**

SCIENCE & TECHNOLOGY

GRSE Delivers Fifth Indigenous ASW Shallow Water Craft 'Amini' to Indian Navy

In November 2026, Garden Reach Shipbuilders & Engineers (**GRSE**), Kolkata, West Bengal (WB), delivered **'Amini',** the fifth of eight indigenously built Anti-Submarine Warfare Shallow Water Crafts (**ASW SWCs**), to the Indian Navy (**IN**).

- The vessel, delivered on 5 November 2026, marked the 119th warship built by GRSE and the 81st warship delivered to the Indian Navy, supporting India's Aatmanirbhar Bharat initiative in defence manufacturing.

Exam Hints:

- ✓ **What?** Delivery of ASW SWC 'Amini'
- ✓ **Delivered By:** GRSE
- ✓ **Delivered to:** IN
- ✓ **Project**: Fifth of Eight ASW SWCs
- ✓ **Contracting Authority:** MoD

Copyright 2014-2026 @ AffairsCloud.com

- ✓ **Named After:** Amini Island, Lakshadweep.
- ✓ **Former INS Amini:** Petya III-class Anti-Submarine Warfare Corvette
- ✓ **Weapons and Sensors:** Lightweight Torpedoes, Indigenous Rocket Launchers and Sonars.

About 'Amini' ASW Shallow WaterCraft:

Delivery: The vessel was formally accepted by Rear Admiral Gautam Marwaha, Vishisht Seva Medal (VSM), Chief Staff Officer (Technical), Headquarters Eastern Naval Command.

Naval Legacy: 'Amini' derives its name from Amini Island, in the Union Territory (UT) of Lakshadweep, and carries forward the name of the former INS Amini, a Petya III-class anti-submarine warfare corvette decommissioned in 2002.

Project Background: On 29 April 2019, the Ministry of Defence (MoD) signed a contract with GRSE for the construction of eight ASW SWCs. The vessel was launched on 16 November 2023 at Larsen & Toubro (L&T) Shipbuilding, Kattupalli.

Construction Arrangement: Under the project, four vessels are being constructed at GRSE, Kolkata, while the remaining four were subcontracted to L&T Shipbuilding, Kattupalli, Tamil Nadu (TN) for hull construction and partial outfitting.

Weapons and Capabilities: The vessel is equipped with an advanced Combat Management System, lightweight torpedoes, indigenous anti-submarine rocket launchers, sonars and a 30-millimetre (mm) naval surface gun manufactured by GRSE.

Technical Specifications: Measuring approximately 77.6 metres(m) in length, with a displacement of around 900 tonnes, the vessel has a maximum speed of 25 knots and an endurance of approximately 1,800 nautical miles (NM). Its 2.7-metre shallow draught and diesel engine-powered waterjet propulsion enable enhanced manoeuvrability in coastal waters.

Operational Role: The Arnala-class vessels are designed for anti-submarine operations in coastal waters, Low Intensity Maritime Operations (LIMO), coastal surveillance and mine-laying missions.

Design and Indigenous Content: Indigenously designed and built by **GRSE** in accordance with the classification rules of the Indian Register of Shipping **(IRS)**, the vessel has over **80% indigenous content**, promoting self-reliance in defence manufacturing.

Replacement: The vessels are designed to replace the Indian Navy's ageing Abhay-class ASW corvettes.

About Ministry of Defence (MoD):

Union Minister – Rajnath Singh (Constituency – Lucknow, Uttar Pradesh, UP)
Minister of State **(MoS)** – Sanjay Seth (Constituency – Ranchi, Jharkhand)

Earth Captures Temporary Mini-Moon 2026 QQ8 Until December 2026

In November 2026, **asteroid 2026 QQ8**, approximately **1 metre (m)** (3 feet) in diameter, was confirmed as a natural temporary mini-moon captured by **Earth's gravity** in April 2026 and is expected to remain gravitationally bound to Earth until **December 2026** before escaping and continuing its orbit around the Sun.

- Asteroid 2026 QQ8 was first observed by Hungarian astronomer **Krisztián Sárneczky** on 20 August 2026, with its discovery officially reported by the Minor Planet Center (MPC) on 29 October 2026.

Exam Hints:

- ✓ **What?** Earth temporarily captured asteroid 2026 QQ8 as a mini-moon.
- ✓ **Discoverer:** Hungarian astronomer Krisztián Sárneczky.
- ✓ **Announcement:** 29 October 2026 by the Minor Planet Center (MPC).
- ✓ **Expected Departure:** December 2026.
- ✓ **Size:** Approximately 1 metre (3 feet) across
- ✓ **Closest Approach:** 0.0038 astronomical units (AU).

Copyright 2014-2026 @ AffairsCloud.com

- ✓ **Orbital Boundary:** Earth's Hill sphere.

About Discovery of Mini-Moon:

Confirmation: Follow-up observations using the University of Hawaii's 2.2-metre telescope and the Lowell Discovery Telescope confirmed 2026 QQ8 as a natural object, likely a small asteroid.

Closest Approach: During its temporary capture, the asteroid's closest approach to Earth was estimated at 0.0038 Astronomical Units (AU), approximately 568,000 kilometres (km) or 1.5 times the average Earth–Moon distance, and it poses no threat to Earth.

Hill Sphere: In April 2026, 2026 QQ8 crossed Earth's Hill sphere, the region where Earth's gravitational influence can dominate smaller objects against the Sun's gravitational pull, resulting in its temporary capture in an unusual looping, non-circular orbit.

Orbital History: The asteroid approaches Earth approximately once every 10 years, having passed without capture in 1965, with its next predicted close encounter in 2058 unlikely to result in another capture; it takes approximately 359 days (0.98 Earth years) to orbit the Sun.

ENVIRONMENT

New Flowering Plant Species 'Disporum kamakhasiense' Discovered in Assam and Meghalaya

In November 2026, researchers discovered **Disporum kamakhasiense**, a **new plant species of perennial flowering herb** belonging to the **Colchicaceae family**, in the forests of **Assam and Meghalaya**.

- The findings were published in the **botanical journal Novon**, highlighting the biodiversity of Northeast India and the need for conservation.

Exam Hints:

- ✓ **What?** Discovery of New flowering plant species
- ✓ **Species name:** Disporum kamakhasiense
- ✓ **Where?** Assam and Meghalaya, Northeast India.
- ✓ **Publication:** Novon botanical journal
- ✓ **Plant Family:** Colchicaceae.

About Disporum kamakhasiense:

Locations: Recorded in Garbhanga Reserve Forest and Laisong (Assam), and Barapani (Meghalaya), it grows on cliffs beneath bamboo forests in semi-evergreen habitats at elevations of 200–1,100 metres (m).

Features: It grows 120–180 centimeter (cm) tall, with extensively branched stems, glossy yellowish-green to dark-green leaves featuring seven prominent parallel veins, and delicate white, star-shaped flowers with distinctive straight spurs.

Distinction: Differs from Disporum calcaratum in size, leaf and flower structure, flower stalk length, and stamen features; flowers during June–July and fruits during July–August.

Name Origin: Disporum kamakhasiense derives from Kamrupa (ancient Assam) and the Khasi Hills of Meghalaya.

SPORTS

Men's Asian Champions Trophy 2026: Indian Hockey Team Defeats Japan to Win Record Sixth Title and Complete a Hat-Trick

The **9th** edition of **Men's Asian Champions Trophy 2026**, officially known as **Hero Asian Champions Trophy Punjab 2026**, an international field **hockey tournament**, was held from **27** October to **5** November 2026 across Jalandhar and Mohali in Punjab, India.

Copyright 2014-2026 @ AffairsCloud.com

- Defending champions **India** defeated **Japan** 4–1 in the final to retain the title, securing a record-extending **sixth** championship (2011, 2016, 2018, 2023, 2024 and 2026) and a hat-trick (**third** consecutive) title (2023, 2024 and 2026), while **Malaysia** claimed the **Bronze** Medal.

Exam Hints:

- ✓ **What?** 9th Men's Hero Asian Champions Trophy 2026 (Field Hockey)
- ✓ **When?** 27 October – 5 November 2026
- ✓ **Where?** Jalandhar (league stage) and Mohali (knockouts), Punjab, India
- ✓ **Winner:** India (defeated Japan 4–1)
- ✓ **Bronze:** Malaysia (defeated South Korea 5–2)
- ✓ **Top Scorer:** Harmanpreet Singh (India) — 10 goals
- ✓ **Player of the Tournament:** Harmanpreet Singh (Hero of the Tournament)
- ✓ **Goalkeeper of the Tournament:** Krishan Bahadur Pathak (India)

About Men's Asian Champions Trophy 2026:

Tournament Structure: The tournament, organised by the Asian Hockey Federation **(AHF)** in partnership with **Hockey India**, featured six teams playing a single round-robin league stage, with the top four advancing to the semifinals, followed by the classification matches, bronze medal match and final.

Participation: The tournament featured six teams: India, Japan, South Korea, Malaysia, China and Bangladesh. Bangladesh replaced Pakistan following its withdrawal on 9 October 2026.

Match Venues: All league-stage matches were held at the Olympian Surjit Singh Hockey Stadium, Jalandhar, Punjab, while the knockout, classification, semifinal and medal matches took place at the Olympian Balbir Singh Senior International Hockey Stadium, Mohali, Punjab.

Background: First held in 2011 in Ordos, China, the tournament saw India defeat Pakistan to become the inaugural champions, with India leading the title tally with six championships, followed by Pakistan (three) and South Korea (one).

Top 3 Standings:

Rank	Team	Medal	Points
1	**India**	**Gold**	**15**
2	Japan	Silver	10
3	Malaysia	Bronze	9

Match Highlights:

India's Breakthrough: Shilanand Lakra in the 42 minute (42′) converted a penalty-corner variation and earned the Player of the Match award followed by Dilpreet Singh (48′), Jugraj Singh (53′) and Vivek Sagar Prasad (54′), who sealed India's victory with three goals in the fourth quarter.

Semi-final (Mohali): India defeated South Korea (8–1), with Dilpreet Singh earning the Player of the Match award.

Achievement: India scored 46 goals in seven matches and remained unbeaten across three consecutive editions, recording 20 wins and one draw.

Milestone: The final marked **Hardik Singh's** (India) **200th** senior international appearance, with Punjab Chief Minister (CM) Bhagwant Mann presenting him with a **special jersey** before the match.

Bronze Medal Match: Malaysia defeated four-time finalists **South Korea (**5–2), with Abu Kamal Azrai scoring a brace (45′, 50′) and earning the Player of the Match award.

Tournament Awards:

- **Player of the Tournament:** Harmanpreet Singh (India) received Hero of the Tournament award.

- **Top Scorer:** Harmanpreet Singh (India) 10 goals
- **Goalkeeper of the Tournament:** Krishan Bahadur Pathak (India)
- **Best Young Player:** Azimuddin Kamaruddin (Malaysia)

Reward: Hockey India announced a cash reward of Rs. 3 lakh for each player and Rs. 1.5 lakh for each support staff member of the Indian Men's Hockey Team in recognition of their title victory at the Hero Asian Champions Trophy Punjab 2026.

Retirement:

Overview: Indian hockey midfielder and Tokyo Olympics bronze medallist **Nilakanta Sharma** announced his retirement from international hockey after a nine-year career, following India's 13–0 victory over Bangladesh in the opening match of the Asian Champions Trophy in Jalandhar.

Career: Born in Manipur, Nilakanta Sharma was part of India's bronze medal-winning campaign at the Tokyo 2020 Olympics, gold medal-winning teams at the 2016 Men's Hockey Junior World Cup and Asian Games (Hangzhou 2022 and Aichi-Nagoya 2026), and four Asian Champions Trophy-winning teams (2018, 2023, 2024 and 2026).

Awards: Nilakanta Sharma received the 2021 Arjuna Award for his contribution to Indian hockey, presented by President Ram Nath Kovind on 13 November 2021.

About Asian Hockey Federation (AHF):

It is the governing body for the sport of field hockey in Asia.

President – Dato' Fumio Ogura

Headquarters – Kuala Lumpur, Malaysia

Established – 1958

IMPORTANT DAYS

National Cancer Awareness Day 2026 – 7 November

India observes **National Cancer Awareness Day** (NCAD) annually on **7 November** to promote awareness about cancer prevention, early detection, screening and timely treatment. The Day marks its **13th** observance in 2026.

- The observance is supported by the Ministry of Health and Family Welfare **(MoHFW)**.

Exam Hints:

- ✓ **What?** National Cancer Awareness Day 2026
- ✓ **When?** November 7, 2026
- ✓ **2026 Edition:** 13th
- ✓ **Introduced in:** September 2014 by Dr. Harsh Vardhan, former Union Minister of MoHFW
- ✓ **First Observed:** 7 November 2014
- ✓ **Commemorates:** Birth anniversary of Marie Curie (7 November 1867)
- ✓ **Symbol:** Lavender ribbon.

Background:

Establishment: National Cancer Awareness Day was introduced in September **2014** by former Union Minister **Dr. Harsh Vardhan**, MoHFW

First Observance: The NCAD was first observed on 7 November **2014**

Significance of Date: 7 November marks the birth anniversary of **Marie Curie** (7 November 1867), the Polish-born French physicist and chemist who received the Nobel Prize in Physics **(1903)** and the Nobel Prize in Chemistry **(1911)** for her pioneering research on radioactivity.

Copyright 2014-2026 @ AffairsCloud.com

Cancer Awareness Ribbons: The l**avender ribbon** represents awareness of all cancers, pink symbolises breast cancer awareness, and pearl/white represents lung cancer awareness. More than 50 ribbon colours are used to symbolise different cancers and related causes.

Cancer Burden and Screening in India – 2026:

Estimated Cancer Incidence: According to the Indian Council of Medical Research–National Cancer Registry Programme **(ICMR-NCRP)**, India's estimated cancer incidence increased from **13,92,179 cases in 2020 to 15,33,055 cases in 2024**.

Risk Factors: Tobacco consumption, harmful alcohol use, unhealthy diets, physical inactivity and certain infections are important preventable or modifiable cancer risk factors.

Government Initiatives for Cancer Prevention and Control:

National Programme for Prevention and Control of Non-Communicable Diseases (NP-NCD): Launched in 2010 as NPCDCS and renamed NP-NCD in 2023, it is implemented by the Ministry of Health and Family Welfare (MoHFW) under the National Health Mission (NHM) to promote cancer prevention, diagnosis and treatment, including screening for oral, breast and cervical cancers among people aged 30 years and above.

Ayushman Bharat – Pradhan Mantri Jan Arogya Yojana (AB-PMJAY): Launched on 23 September 2018 by MoHFW and implemented through the National Health Authority (NHA), it provides eligible families with cashless health coverage of Rs 5 lakh per family annually, including cancer treatment.

Strengthening of Tertiary Care Cancer Facilities Scheme: Approved in Financial Year 2013–14 (FY14) and implemented by MoHFW, it aims to improve cancer treatment infrastructure. Under the scheme, 19 State Cancer Institutes (SCIs) and 20 Tertiary Care Cancer Centres (TCCCs) have been approved.

National Tobacco Control Programme (NTCP): Launched in FY 2007–08 (FY08) by MoHFW to reduce tobacco consumption through awareness, enforcement of tobacco-control laws and cessation services.

Tobacco-Free Youth Campaign (TFYC) 4.0: Launched on 28 October 2026 by Union Minister of State (MoS) Prataprao Jadhav, MoHFW, the 60-day campaign (28 October–26 December 2026) aims to promote tobacco-free youth, educational institutions and villages.

Cancer Research and Innovation:

ICMR Initiatives: On 21 July 2026, ICMR, under its Medical Innovations Patent Mitra initiative, facilitated the licensing of **SHetA2**, an indigenous anti-HPV therapeutic candidate for treating Cervical Intraepithelial Neoplasia **(CIN)**, to Emcure Pharmaceuticals Ltd. for further development and commercialisation.

- ICMR also undertakes frontier-technology research in **CAR-T cell therapy** and robotics-based targeted cancer therapy.

AI-Based Cancer Diagnosis: The **EUcanAI project**, launched in September 2026 under the European Union's Horizon Europe programme, aims to develop AI-based technology for improved diagnosis and treatment planning of brain tumours, with the participation of the International Agency for Research on Cancer (IARC).

138th Birth Anniversary of C. V. Raman – 7th November 2026

On 7th November 2026, India marks the **138th birth anniversary** of renowned physicist **Sir Chandrasekhara Venkata Raman (C. V. Raman)**, honouring his pioneering contributions to the field of light scattering and modern physics.

- He was the **first Indian physicist** to win the **1930 Nobel Prize** in Physics for discovering the **Raman Effect,** which explains the scattering of light by molecules.

Exam Hints:

- ✓ **Event:** 138th birth anniversary of Dr. C. V. Raman.
- ✓ **When?** 7th November 2026.
- ✓ **Known for:** Discovery of the Raman Effect.
- ✓ **Awards:** Nobel Prize in Physics (1930), Bharat Ratna (1954), Lenin Peace Prize and Franklin Medal.

Copyright 2014-2026 @ AffairsCloud.com

- ✓ **Key Foundation:** Raman Research Institute, Bengaluru.

About Dr. Sir Chandrasekhara Venkata Raman:

Career: Born on 7th November 1888 in Tiruchirappalli, Tamil Nadu (TN), he served as a professor at the University of Calcutta, Kolkata, West Bengal (WB), and later became India's first National Professor.

- He became the first Indian Director of the Indian Institute of Science (IISc), Bengaluru, Karnataka (1933–1937), and continued to lead its Physics Department until 1948.

Scientific Visionary: He discovered the Raman Effect in 1928, co-discovered quantum photon spin in 1932, and advanced acoustics studies such as the 'Raman Curve', pioneering modern Indian physics and leaving a lasting impact on spectroscopy, chemistry and material science through his legacy at Indian Institute of Science (IISc).

Raman Institute: Founded the Raman Research Institute in Bengaluru, Karnataka, in 1948 and served as its director until 1970.

Awards and Honours: His distinguished achievements earned him numerous honours in chronological order: Fellowship of the Royal Society (FRS) (1924), Knighthood (1929), Matteucci Medal (1928), Hughes Medal (1930), Franklin Medal (1941), **Bharat Ratna (1954)** and Lenin Peace Prize (1957).

India Observance: India observes **28 February** as **National Science Day** to commemorate the discovery of the Raman Effect in 28 February 1928.

STATE NEWS

Orange Oakleaf Selected as Chhattisgarh's Proposed First State Butterfly

In October 2026, the **Chhattisgarh** State Wildlife Board, during its 15th meeting, approved a proposal to designate the **Orange Oakleaf** (Kallima inachus) as the **State's first State Butterfly,** following an online public voting process conducted by the Forest and Climate Change Department.

- The initiative aims to promote awareness of Chhattisgarh's butterfly diversity and public participation in biodiversity conservation, recognising butterflies' ecological roles in pollination and food chains.

Exam Hints:

- ✓ **What?** Selection of proposed first State Butterfly
- ✓ **State:** Chhattisgarh
- ✓ **Butterfly:** Orange Oakleaf (Kallima inachus)
- ✓ **Approval Authority:** Chhattisgarh State Wildlife Board.

About Orange Oakleaf:

Key Features: The Orange Oakleaf (Kallima inachus), also known as the Dead Leaf Butterfly, belongs to the Nymphalidae family and has a wingspan of 85–110 millimeter(mm).

- Its closed wings resemble a dry leaf, while its upper wings display iridescent blue, black and orange patterns.

Habitat and Feeding: Found in moist hill forests up to 2,000 metres, its larvae feed on Strobilanthes species, while adults feed on rotting fruits, tree sap and moisture from damp patches.

State Butterflies in India: In 2015, Maharashtra became the first Indian State to declare a State Butterfly, selecting the Blue Mormon. Other State Butterflies include the Southern Birdwing (Karnataka), Tamil Yeoman (Tamil Nadu, TN), Malabar Banded Peacock (Kerala) and Orange Oakleaf (Madhya Pradesh, MP).
