Comparison: MGNREGA vs. Viksit Bharat-GRAM G

Feature	MGNREGA	Viksit Bharat-GRAM G
Employment Guarantee	**100 days** of wage employment per rural household.	**125 days** of wage employment per rural household.
Priority Areas	Focus on multiple and scattered categories of works with limited strategic focus.	Focus on **4 clearly defined priority areas**: Water security, Rural infrastructure, Livelihoods, and Climate resilience.
Cost Sharing	Center bears unskilled wage costs; States bear unemployment allowance.	**State cost-sharing** introduced: • **60:40** (Centre:State) for most states. • **90:10** for special-category regions.
Operational Flexibility	No explicit statutory 'pause window' during agricultural seasons.	States can notify a **'pause window' of up to 60 days** in a financial year when works will not be executed.
Funding Model	Demand-based funding leading to unpredictable allocations.	**Normative funding** ensuring predictable budgeting while protecting the employment guarantee.
Planning Approach	Gram Panchayat planning is central.	**Integrates institutionalised convergence** and infrastructure planning with Gram Panchayat inputs.
